Sexual Medicine In Clinical Practice:

Sexual Medicine in Clinical Practice Klaus M. Beier, Kurt K. Loewit, 2012-11-05 Call it a remnant of our Victorian past but sexual concerns lag behind other aspects of health both in the training of physicians and therapists and in the way they impart this knowledge to clients But as sexuality gains recognition as crucial to one's quality of life evidence based methods of understanding and discussing sex are imperative and not only in treating pathology Sexual Medicine in Clinical Practice provides framework rationale and strategies for both approaching sexual problems and addressing patients questions about sexual health behavior and relationships Analyzing sexuality along three dimensions attachment reproduction and desire this concise manual offers a biopsychosocial lifespan model readily translatable into clinical work This syndyastic framework integrates attachment and relational theory to reinforce the bond between intimacy and connectedness and models nonjudgmental approaches to disorders of sexual function maturity preference and behavior The authors salutogenic rather than pathogenic focus lets clients become major players in their own healing and the therapist or doctor serve as expert and guide Among the topics covered The communicative function of sexuality The spectrum of sexual disorders Principles of diagnostics in sexual medicine Disease centered versus client centered aspects of sexual therapy Therapeutic approaches for sexual traumatization New challenges including preventing child sexual abuse and online sex crime Plus case studies interdisciplinary references and ethical issues A timely perspective and practice altering volume Sexual Medicine in Clinical Practice is essential reading for family and primary care physicians family and sex therapists health psychologists and psychiatrists *Sexual Medicine in Clinical Practice* Springer, 2012-11-01 [Sexual Health and Genital Medicine in Clinical Practice](#) Chris Sonnex, 2007-10-05 Sexual Health and Genital Medicine in Clinical Practice covers the range of conditions seen in sexually transmitted infection clinics and genito urinary clinics making it a useful and practical guide to all health practitioners in this area This book is aimed specifically at medical practitioners in primary care who require a quick guide to help diagnose and manage genital problems a prompt to what to do next when faced with a patient presenting with a genital complaint It offers diagnosis first referral and whether the patient can be successfully treated with a drug regimen or needs to be referred up to the Sexual Health and Genital Medicine specialist Authored by a UK expert in sexual health and genital medicine the book has many colour illustrations with key points and summary boxes helping to make the book a quick reference guide The book will be of particular interest to residents on their rotations through this field of medicine junior doctors specialist nurses primary care practitioners **Sexual Health and Genital Medicine in Clinical Practice** Christopher Sonnex, 2015-10-19 This fully revised and updated second edition of Sexual Health and Genital Medicine in Clinical Practice covers the range of conditions seen in genitourinary medicine sexual health and sexually transmitted infection clinics making it a useful and practical guide to all health practitioners in this area This book is aimed at medical practitioners who require a quick reference guide to help with diagnosis and management of genital problems In addition it

Sexual Medicine In Clinical Practice : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sexual Medicine In Clinical Practice : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
