greatest gold rush in history began as thousands of wouldbe miners gamblers murderers and prostitutes made their way to
California to seek their fortunes In less than two years more than 100 00 people arrived from all over the world to get in on
the action When the first gold nugget was found in the Mother Lode no one understood the importance of the discovery Soon
however hundreds of ships littered San Francisco s harbor abandoned by crew members rushing to the goldfields The first
gold was actually discovered in 1847 when California was still part of Mexico The United States had declared war against
Mexico in 1846 In 1848 Mexico ceded California and other western lands to the United States before news of the gold strike
