

Tips for Filling out Office of Government Ethics (OGE) 278, Public Financial Disclosure Report

IN GENERAL

The following is a list of tips to help avoid common mistakes in filling out OGE 278:

- The annual report is due by Thursday, May 15, 2014.
- The form itself contains more detailed instructions and examples.
- Include information about the financial interests of yourself, your spouse, and your dependent children.
- If you have questions at any time, please consult an ethics official at your local NASA Center legal office. *(A list of Center contacts is at the bottom of this list.)*

For all Parts - If you have nothing to list in a Part, check the following option:

☐ After reviewing the instructions, I have no Assets or Income to report.

Personal Information Block

Date of Appointment: Be sure to complete.

Reporting Status: You may skip this field as it is pre-selected for you.

SCHEDULE A (Assets and Income)

FOR ALL ASSETS -

- Check the blocks to indicate the value of the asset and the type and amount of income, including any non-taxable income. Refer to the examples printed on the form.
- You may preface each asset with (S) for spouse, (J) for joint, or (DC) for Dependent Child.

1. Mutual Funds-

- Give the fund family name and the specific name of the fund.

Example: Vanguard Health Care Fund

Example: T Rowe Price Blue Chip Growth Fund

2. Excepted Investment Funds (EIFs) - Note that certain underlying funds may be categorized as "Excepted Investment Funds," due to their characteristics (i.e., widely held, publicly traded or widely diversified, and independently managed). This means that filers are not responsible for listing the stocks within those funds, but must still list the complete name of the fund family and fund. If you indicate that an asset is an Excepted Investment Fund, you do not need to indicate the type of the income, but must provide its value and the amount of income.
