Shane The Lone Ethnographer A Beginners Guide To Ethnography:

Shane, the Lone Ethnographer Sally Campbell Galman, 2018-10-19 Shane is at it again in this new improved second edition of the classic introduction to ethnographic research. The new text still features our intrepid heroine as she learns what makes ethnography tick against a backdrop of Wild West metaphors, cowboy hats, cattle stampedes, and cacti, and the new edition expands on important content to provide more in-depth material and deeper opportunities for readers to learn. Added indispensable material on study design, ethnographic foundations, theoretical frameworks, and ethnographic writing complements the original material from the beloved first edition. Whether you are a complete novice or someone already familiar with ethnographic method but looking to learn more about a particular aspect of study design, this text provides a fun, creative way to engage with complex methodological ideas and questions. Updates include:

- The new edition synthesizes a broad range of writing on the topic of ethnographic methods, giving students a flexible frame on which to build as they delve more deeply into the material.
- While the first edition was focused on ethnography within the field of educational research and the paradigms driving that particular area of inquiry, this second edition is widely interdisciplinary and cross-field.
- The use of the comic format makes this text unusually accessible for a variety of readers and learners without sacrificing complexity or the depth of the material.
- The book draws from a range of new, updated sources to address what students of ethnographic methods need to know today.

The classic pieces remain the same, but the rest is overhauled and updated. **Shane, the Lone Ethnographer** Sally Campbell Galman, 2018-10-19 Shane is at it again in this new improved second edition of the classic introduction to ethnographic research. Bolling,Matthew J. Smith,2014-02-18 This collection of 13 new essays employs ethnographic methods to investigate San Diego s Comic Con International the largest annual celebration of the popular arts in North America Working from a common grounding in fan studies these individual explorations examine a range of cultural practices at an event drawing crowds of nearly 125 000 each summer Investigations range from the practices of fans costuming themselves to the talk of corporate marketers The collection seeks to expand fan studies exploring Comic Con International more deeply than any publication before it Writing and the Articulation of Postqualitative Research David Lee Carlson,Ananí M. Vasquez,Anna

Romero,2023-04-25 Writing and the Articulation of Postqualitative Research is a collection of experimental essays on the implications of articulating or performing qualitative research from postqualitative philosophies Although writing has been an integral part of qualitative research for better or worse throughout the history of the field the recent emergence of postqualitative inquiry necessitates a reconsideration of writing This collection of international authors explores the process and practice of writing in qualitative research from an onto epistemological perspective engaging with temporal spatial relational social cultural and affective concepts and dilemmas such as philosophical alignment advocacy in research and the privileging of written academic language for research dissemination The exploration of these questions can help qualitative researchers in the social sciences and humanities consider how modalities and processes of writing can alter shift and challenge the ways in which they articulate their research Thus rather than writing being a conveyor of the events happening during data collection or used to analyze data or display results the authors in this book consider writing as a primary agent in the research process This book has been designed for scholars in the social sciences and humanities who want to rethink how they use writing in their research endeavors and especially ones who are considering engaging with postqualitative research *A Companion to the Anthropology of Education* Bradley A.
