Training Manuals Brian Kennedy, Elizabeth Guo, 2005 Chinese martial arts masters of the past wrote secret training manuals as well as training manuals available to the general public sometimes appearing themselves in the illustrations These manuals are an invaluable source of information about China's martial arts past and the photographs and drawing which many of them contain provide a glimpse back in time to how Chinese martial arts was actually practiced by the masters of the past This book introduces the rich literary and pictorial legacy of Chinese Martial Arts Training Manuals for the first time to the west **Shaolin Temple Kung Fu Manual** Thomas Smith, 1996-09-03 Shaolin Temple Kung Fu Overview Shaolin Kung Fu was created by combining Buddhist Yogic and Taoist influences originally established within the Shaolin Tradition at the Shaolin Temple in Honan by Bodhidharma in 500 A D Original Shaolin Kung Fu evolved and was perpetuated until now in secrecy by the priest and monks at the several main Shaolin Temples that had been established through the centuries The only times the Shaolin martial arts were taught outside the temple was when the rulers of China became ruthless in their treatment of the Chinese people These teachings were pretty much limited to what the people

needed to successfully revolt. A large amount of the original Shaolin teachings influences and origins were never presented to anyone but the monks. These missing Shaolin influences include some self defense methods and strategies much of the physical health training methods and almost none of the spiritual Yogic and Buddhist influences. These missing influences have been made available to us from the existing original Shaolin who are in exile in Taiwan from the violent communist takeover of the Chinese mainland in 1949. Also from Shaolin who were operating in Tibet prior to the violent invasion and takeover by the communist Chinese of Tibet in 1950. Since World War II the communist Chinese have effectively eliminated the ancient Taoist Buddhist and Shaolin knowledge and spiritual belief systems on the mainland due to their commitment to obtaining a modern industrial atheist society. This communist influence has been responsible for considerable additional loss of the Shaolin influence on Chinese kung fu. Chinese kung fu is now called Wu Shu and has become acrobatic as it lost its efficient martial influences. Another unacceptable exception was made at the Shaolin Temple at Honan where due to the income from tourism they have allowed some modern Buddhism to be presented for the tourists as Shaolin. This book breaks the norm of modern kung fu manuals in that it presents and explains these missing Shaolin influences.

The Shaolin Butterfly Al Case, 2015-05-02 This is the training manual for the original Monster Martial Art course The Shaolin Butterfly is taken from Fut Ga Kung Fu which many consider to be the original Kung fu of the Shaolin temple The system has been matrixed which means it has been made logical Matrixing is the first and only science of the martial arts which means the forms and techniques have been arranged in logical format with all the fluff and repetition taken out No more meandering through dozens of forms searching for the meaning of it all Instead the forms have been arranged so the concepts are easy to understand and easy to do The real blessing is that this has made Kung Fu into a combat ready art No searching through a catalogue of hundreds of techniques many of which have been designed for specific weapons or body armor or different periods of time Now the art becomes simple to learn and therefore easy to use Everything simply everything has a point and intuition comes quickly The author has nearly 50 years of experience in the martial arts He was a writer for the magazines through the golden age of the martial arts and therefore was able to tap into a wealth of martial arts Further he has over 600 pages of testimonials praising the Matrixing method Guaranteed once a student has experienced the intuitive science of matrixing his whole art will be transformed as well as his method and ability to learn Nowhere is this more true than in The Shaolin Butterfly one of the original Matrixing courses There is a video portion to this course which will be available separately
