The author experienced that his prayers started being answered at the right time It so happened that he started getting favors from God for which he had not even prayed Just his wishing for something would suffice whatever he wished would come to him through someone or by some means Later on he started getting prior intimation from God with regard to good or bad events that were to happen either in his own life or in the lives of his family or friends He would mostly keep quiet and not share these things with them for fear of ridicule However most of these premonitions started coming true Hence he started sharing premonitions regarding impending calamities or negative events Most of those with whom he shared made mockery of him and ridiculed him However when they saw the predicted events coming true they started distancing themselves from his fearing that he had an evil tongue When something good happened they would say that it was just a coincidence Due to his clairvoyance the author

has lost many friends and some relatives have distanced themselves from him However they have stopped taking his predictions and advice lightly The author had long felt the need to share these incidents of clairvoyance with the larger world This book is the fulfillment of that desire to share The author has shared just thirty of his experiences in clairvoyance however there are many more which he could has kept back as they were either of very personal nature or not so important to be shared Moreover the author would like to state that anyone can develop their clairvoyant abilities by connecting properly with God One has to develop a very active conscience and make it a habit of listening to the intuitions that come to us through our conscience Our conscience Is the medium through which God conveys messages to us Hope this book will help the reader to start establish and develop a close relationship with God and listen to his prodding in our lives You may check the author s other books by visiting his blog at the link below https akfrancisauthor blogspot com The readers are welcome to give their feedback to the author by writing to him at the email address given below Best Regards Be Blessed A K Francis Email akfrancis372 gmail com
