Make Disciples! Terry A. Bowland,1999 Let us make no mistake about it Evangelism is not simply learning Bible facts

Evangelism is not simply understanding sociological information Evangelism is taking part in God s great work of redeeming the world through Christ It is to reach out and allow God s power and presence to extend into the lives of people through our daily lives When we increasingly become aware of God working within us the result will be joy joy in our daily tasks and joy in the lives we touch Wherever God s will is done the ultimate result for us will be joy **Books in Print** ,1991 **Coral Ridge Presbyterian Church Communicator** ,1995 **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **Forthcoming Books** Rose Arny,2004 *The Watchman-examiner* ,1920 **Religious Books and Serials in Print, 1980-1981** ,1980 An Exposition of the New Testament, etc John GILL (D.D., Baptist Minister, at Horsley Down.),1809 **An Exposition of the New Testament ...
