Rage Becomes Her Soraya Chemaly, 2018-09-11 A BEST BOOK OF 2018 SELECTION NPR The Washington Post Book Riot Autostraddle Psychology Today A BEST FEMINIST BOOK SELECTION Refinery 29 Book Riot Autostraddle BITCH Rage Becomes Her is an utterly eye opening Bustle book that gives voice to the causes expressions and possibilities of female rage As women we ve been urged for so long to bottle up our anger letting it corrode our bodies and minds in ways we don t even realize Yet there are so so many legitimate reasons for us to feel angry ranging from blatant horrifying acts of misogyny to the subtle drip drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society In Rage Becomes Her Soraya Chemaly argues that our anger is not only justified it is also an active part of the solution We are so often encouraged to resist our rage or punished for justifiably expressing it yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them Approached with conscious intention anger is a vital instrument a radar for injustice and a catalyst for change On the flip side the societal and cultural belittlement of our anger is a cunning way of limiting and controlling our power one we can no longer abide A work of great spirit and verve Time Rage Becomes Her is a validating energizing read that will change the way you interact with the world around you **I Became**

Shame and Jealousy Phil Mollon, 2018-04-24 A volume in the Psychoanalytic Ideas Series published for the Institute of Psychoanalysis by Karnac Here shame and jealousy are examined as hidden turmoils as basic human feelings found in everyone but often suppressed and neglected An unfulfilled need unanswered plea for help and failure to connect with and understand other people are all underlying causes for shame and feeling inadequate The author argues that feelings of shame form an intrinsic part of the analytic encounter but astonishingly this shame laden quality of the psychoanalytic and psychotherapeutic setting is rarely addressed This lucidly written and much needed volume explores the profound effects shame and jealousy can have on self esteem and how this can eventually lead to a chronic condition
