Sex vs. Survival John Launer,2019-05-15 An impressively researched documented and readable biography of a woman who played a key role in the history of psychology Library Journal starred review Who was Sabina Spielrein She is probably best known for her notorious affair with Carl Jung which was dramatized in the film A Dangerous Method starring Keira Knightley Yet her life story is much more compelling than just one famous relationship Spielrein overcame family and psychological abuse to become a profoundly original thinker in her own right Sex vs Survival is the first biography to put her life and ideas at the center of the story and examine

Spielrein's key role in the development of psychoanalysis Drawing on fresh research into Spielrein's diaries papers and correspondence John Launer shows how Spielrein's overlooked ideas rejected by Freud and Jung but substantially vindicated by later developments in psychology and evolutionary biology may represent the last and most important stage in the rediscovery of an extraordinary life An invaluable resource for understanding Spielrein's significance her progressive thinking and her groundbreaking contributions to the history of psychoanalysis Publishers Weekly By the end of Launer's account there's no mistaking what the founding fathers of analysis did to this particular founding mother and probably to many other women At least this biography offers Spielrein some retrospective justice Jewish Book World Adult Themes Anne Etienne, Benjamin Halligan, Christopher Weedman, 2023-08-24 Between the late 1950s and mid 1970s British cinema experienced an explosion of X certified films In parallel with an era marked by social political and sexual ferment and upheaval British filmmakers and censors pushed and guarded the permissible limits of violence horror revolt and sexuality on screen Adult Themes is the first volume entirely devoted to the exploration of British X certificate films across this transformative period since identified as the long 1960s How did the British Board of Film Censors harried on one side by the censorious and moralistic and beset on the other by demands for greater artistic freedom oversee and manage this provocative body of films How did the freedoms and restrictions of the X certificate hasten determine and reshape post war British cinema into an artistic exploitative and unapologetically adult medium Contributors to this collection consider these central questions as they take us to swinging parties on youthful crime sprees into local council meetings on police raids of cinemas and around Soho strip clubs and introduce us to mass murderers lesbian vampires apoplectic protestors eroticised middle aged women and rebellious working class men Adult Themes examines both the workings and negotiations of British film censorship the limits of artistic expression and a wider culture of X certificate cinema This is an important volume for students and scholars of British Film History and censorship Media Studies the 1960s and Cultural and Sexuality Studies while simultaneously an entertaining read for all connoisseurs of British cinema at its most vivid and scandalous **The Sex Life of the Foot and Shoe** William A. Rossi, 2023-08-18 First published in 1977 The Sex Life of the Foot and Shoe examines the realities of foot and shoe eroticism practised by almost all of us whether consciously or unconsciously Provocative often witty and always original the book takes us on a walking tour through history from Chinese footbinding completely sexual in intent and the medieval poulaine perhaps the most blatantly pornographic shoe ever worn to the outrageous distortions of the foot gladly suffered by woman over the centuries in the cause of sexual allure The author explores the obsession with sick and tired feet and the huge industry that has sprung up to cater to our negativism He gives a psychosexual guide to us via footwear grouping men's and women's shoes into such categories as sexy sexless neuter bisexual sensuous peacock masculine eunuch and machismo This book will be of interest to students of history gender studies sexuality studies and fashion **Poetica Erotica** Thomas Robert Smith, 1922 Iambic Poetics in the Roman Empire Tom Hawkins, 2014-04-17

This is the first book to study the impact of invective poetics associated with early Greek iambic poetry on Roman imperial authors and audiences. It demonstrates how authors as varied as Ovid and Gregory Nazianzen wove recognizable elements of the iambic tradition e.g. meter motifs or poetic biographies into other literary forms e.g. elegy oratorical prose anthologies of fables and it shows that the humorous scurrilous efficacious aggression of Archilochus continued to facilitate negotiations of power and social relations long after Horace's Epodes. The eclectic approach encompasses Greek and Latin prose and poetry and exploratory interludes appended to each chapter help to open four centuries of later classical literature to wider debates about the function propriety and value of the lowest and most debated poetic form from archaic Greece. Each chapter presents a unique variation on how these imperial authors became Archilochus however briefly and to whatever end.
