Sexual Regulation and the Law, A Canadian Perspective Richard Jochelson, 2019-11-01 Does Canada need any more collections about legal regulation of sex and sexuality Volumes exist dealing with sex work and pornographies Certainly volumes abound dealing with emerging sexualities in Canada and new sexual freedoms This book seeks to do more than tell a story of broad generalities about the law It forges the links between the history of law and modern iterations of judgments pertaining to that law Hence the uncomfortable line between Victorian morality often and modern regulation is thematically explored through the book More modern iterations of sexual regulation in Canada are being deployed and in this book the authors explore the interplay between emerging digital technologies and legal regulation Newer laws in Canada have been drafted to recognize that sexual expression can be a means of violence inherently and thus an exploration of modern sexual digital expression and its emerging jurisprudence represent a new frontier in the regulation of sex and sexuality in Canada We explore how legal regulation has responded to these new crimes **In the Flesh** V. Pitts, 2003-05-15 Through an interview based study Victoria Pitts has researched the subcultural milieu of contemporary body modification focusing on the ways sexuality gender and ethnicity are being reconfigured through new body technologies not only tattooing but piercing cyberpunk and such neotribal practices as scarification She interprets the stories of sixteen body modifiers as well as some subcultural magazines and films using the tools of feminist and queer theory Pitts not only covers a hot topic but also situates it in a theoretical context PC Mag ,1992-06-30 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **PC Mag** ,1992-08 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology PC Mag ,1992-11-10 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology PC Mag ,1991-11-26 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology PC Mag ,1992-09-15 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology PC Mag ,1991-10-29 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **PC Mag** ,1992-10-13 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our

Sisters and Lovers Megan Jennaway, 2002-11-19 The Balinese devotion to their temples is both legendary and conspicuous but the ways in which they enshrine their innermost desires have long been hidden This ethnography draws back the veil by focusing on the romantic experiences of women in a rural village Punyanwangi in North Bali from adolescence to maturity Delving into the intensity of passion that exists just below the harmonious veneer of traditional patterns of courtship and marriage motherhood and connubial fidelity this book overturns Margaret Mead's assertions of passivity in Balinese social life Punyanwangi's proximity to a thriving tourist center allows Megan Jennaway to explore as well the striking gender disparities in the ways sexuality and desire are culturally mediated Aside from service work women are excluded from entering the tourist domain yet male sexual adventurism is expected and even encouraged The bodies of foreign women are thus invested with potent fantasies of exotic desire while those of local women are muted denied

legitimate avenues of expression The author invokes Post Freudian and feminist concepts of sexuality to explain culturally specific psychiatric disorders to which Balinese women are prone interpreting them as expressions of frustrated desire She thus convincingly reveals Balinese society as anything but unemotional or stagnant Rather it is swept along by currents of emotionally charged desire By allowing key informants to tell their stories in their own voices and by skillfully interweaving fictionalized interludes the author gives us not only a rigorously researched ethnography but an intimate and fully realized portrait of Balinese women's innermost desires

Girls Gone Skank Patrice A. Oppliger, 2015-02-18 Instead of advancing women's social and professional empowerment popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention Topics include the powerful effects of cultural phenomena such as revealing fashions plastic surgery and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization These chapters also explore other cultural factors contributing to this early sexualization of young girls including absentee parenting and material overindulgence Later chapters focus on the sexual representations of females in the mass entertainment media focusing specifically on how popular magazines television programs films and the Internet prey upon and promote and reinforce young girls' physical and sexual insecurities
