Shadowrun Genesis Manual:

Playing at the Next Level Ken Horowitz, 2016-10-27 Today a multinational video game developer Sega was the first to break Nintendo's grip on the gaming industry expanding from primarily an arcade game company to become the dominant game console manufacturer in North America. A major part of that success came from the hard work and innovation of its subsidiary Sega of America who in a little more than a decade wrested the majority market share from Nintendo and revolutionized how games were made. Drawing on interviews with nearly 100 Sega alumni this book traces the development of the company revealing previously undocumented areas of game making history including Sega's relationship with Tonka the creation of its internal studios and major breakthroughs like the Sega Channel and HEAT Network. More than 40 of the company's most influential games are explored in detail.

Vintage Game Consoles Bill Loguidice, Matt Barton, 2014-02-24 Vintage Game Consoles tells the story of the most influential videogame platforms of all time including the Apple II Commodore 64 Nintendo Entertainment System Game Boy Sega Genesis Sony PlayStation and many more. It uncovers the details behind the consoles computers handhelds and arcade machines that made videogames possible. Drawing on extensive research and the authors own lifelong experience with videogames Vintage Game Consoles explores each system's development history fan community its most important games and information for collectors and emulation enthusiasts. It also features hundreds of exclusive full color screenshots and images that help bring each system's unique story to life. Vintage Game Consoles is the ideal book for gamers students and professionals who want to know the story behind their favorite computers handhelds and consoles without forgetting about why they play in the first place the fun. Bill Loguidice is a critically acclaimed technology author who has worked on over a dozen books including CoCo The Colorful History of Tandy's Underdog Computer written with Boisy G Pitre. He's also the co-founder and Managing Director for the popular Website Armchair Arcade. A noted videogame and computer historian and subject matter expert Bill personally owns and maintains well over 400 different systems from the 1970s to the present day including a large volume of associated materials. Matt Barton is an associate professor of English at Saint Cloud State University in Saint Cloud Minnesota where he lives with his wife Elizabeth. He's the producer of the Matt Chat a weekly YouTube series featuring in depth interviews with notable game developers. In addition to the original Vintage Games which he co-authored with Bill he's author of Dungeons Desktops The History of Computer Role Playing Games and Honoring the Code Conversations with Great Game Designers.
