Sharing Lucy Confessions Of A Bbw Hotwife English Edition:

Sharing Lucy Sadie Somerton, 2018-08-07 Tell me Lucy Tell me all about it The biggest fantasy in your head The one you come back to time and time again The one you think about when you close your eyes Men Surrounding me Enjoying me Using me That was the one big fantasy that always worked for me I d never done anything like that of course I d never had the opportunity I d never even known how you might engineer that kind of opportunity But there s one thing I do have and that s an incredibly supportive husband who only wants to make me happy I could arrange that for you Lucy I know some people A place All you have to do is say the word An erotic romance about an open and loving relationship featuring cuckoldry exploration and group action The stories in the Confessions of a BBW Hotwife series are standalones and can be read in any order

Confessions of a BBW Hotwife Sadie Somerton, My husband likes me to explore He likes me to go out and do things I ve never done before And then he likes me to come home and tell him all about it If you like stories about loving and open minded couples exploring cuckoldry group action exhibitionism and voyeurism you ll love Lucy and Jason Follow them as they explore each other s fantasies then go out and make them real A former lover a girlfriend his best friend Lucy sets out to seduce them all And then one day Jason says Tell me Lucy Tell me all about it The biggest fantasy in your head The one you come back to time and time again The one you think about when you close your eyes So think about it what s your biggest fantasy And would you ever go out and make it happen like Lucy does Do you have a partner who would say I could arrange that for you I know some people A place All you have to do is say the word Some reader reviews of the stories in this set I love that this is a confession story The tone is intimate and you really feel you re getting to know the protagonist Lucy She s a really believable mixture of insecurities and curiosity and her husband really knows how to make her feel good Even if that means encouraging her to go off with other people This story works well as erotica but it s also a real story with characters you care about and want to follow on their adventures A classy hot story that s a cut above the rest This is the story of a couple who are open to just about anything or at least Lucy is This is her first venture into being a hotwife prompted by her husband who just wants her to be happy whatever that takes I particularly liked the way the author balanced the couple s loving and open relationship with some really hot scenes Loved it
