

The background of the cover features a close-up, shallow depth-of-field photograph of optical glass components. In the foreground, a large, circular lens cap or the back of a lens is visible, showing concentric circles and a slight reflection. Behind it, another lens is partially visible, and further back, a third lens is seen. The lighting creates soft highlights and shadows on the glass surfaces, emphasizing their smooth, polished texture. The overall color palette is a mix of light and dark grays, with some highlights from the light source.
