Poole S Paradise:

Poole's Index to Periodical Literature ,1888 **Crime Fiction in the Caribbean** Lucy Evans,2024-09-18 Crime Fiction in the Caribbean Reframing Crime and Justice is the first academic book to focus on crime fiction by anglophone Caribbean writers It explores how contemporary writers experiment with the crime genre in order to convey contextualize and comment on crime and justice in Caribbean countries Lucy Evans reads crime fiction as a versatile mode of writing that can be politically engaged and that in a Caribbean context can expose power structures embedded in the region s multi layered history of colonial conquest genocide of Indigenous populations plantation agriculture transatlantic slavery and indentured labour This book covers fiction set in Trinidad and Tobago Jamaica Guyana Barbados Grenada and Haiti discussing novels by Elizabeth Nunez Jacob Ross Marlon James Harischandra Khemraj Esther Figueroa Edwidge Danticat Cherie Jones and several others Evans considers how fiction by anglophone Caribbean writers not only reflects upon the social realities of crime and crime control in the Caribbean but also at times contests or complicates scholarly popular and legal perspectives She argues that through their engagement with the crime genre these writers raise pressing questions about what constitutes crime and justice in a Caribbean context and about accountability Looking beyond the traditional focus of crime fiction and criminology on individual acts of wrongdoing their fiction highlights systemic social harms rooted in the region s colonial past Reading crime fiction through the lens of criminological research Crime Fiction in the Caribbean brings the study of literary writing into scholarly debate on crime in the Caribbean At the same time it extends the global turn in crime fiction studies focusing on a region that has been sidelined even in studies which examine the genre s international dimensions **Milton, Longinus, and the Sublime in the Seventeenth Century** Thomas Matthew Vojar,2024-03-07 In this wide ranging study in classical reception and the history of ideas Thomas Matthew Vojar shows how Milton s ideas of the sublime were informed by a deep understanding of Longinus and other ancient sources The book also demonstrates how Longinus s ideas and writings were far more prevalent in early modern England than previously thought **The Worldmakers** Ayesha Ramachandran,2015-10-13 In this beautifully conceived book Ayesha Ramachandran reconstructs the imaginative struggles of early modern artists philosophers and writers to make sense of something that we take for granted the world imagined as a whole Once a new exciting and frightening concept the world was transformed in the sixteenth and seventeenth centuries But how could one envision something that no one had ever seen in its totality The Worldmakers moves beyond histories of globalization to explore how the world itself variously understood as an object of inquiry a comprehensive category and a system of order was self consciously shaped by human agents Gathering an international cast of characters from Dutch cartographers and French philosophers to Portuguese and English poets Ramachandran describes a history of firsts the first world atlas the first global epic the first modern attempt to develop a systematic natural philosophy all part of an effort by early modern thinkers to capture the world on the page *Biological*

Possible Knowledge Debapriya Sarkar,2023-04-04 The Renaissance scholars have long argued was a period beset by the loss of philosophical certainty In Possible Knowledge Debapriya Sarkar argues for the pivotal role of literature what early moderns termed poesis in the dynamic intellectual culture of this era of profound incertitude Revealing how problems of epistemology are inextricable from questions of literary form Sarkar offers a defense of poesis or literary making as a vital philosophical endeavor Working across a range of genres Sarkar theorizes possible knowledge as an intellectual paradigm crafted in and through literary form Sixteenth and seventeenth century writers such as Spenser Bacon Shakespeare Cavendish and Milton marshalled the capacious concept of the possible defined by Philip Sidney as what may be and should be to construct new theories of physical and metaphysical reality These early modern thinkers mobilized the imaginative habits of thought constitutive to major genres of literary writing including epic tragedy romance lyric and utopia in order to produce knowledge divorced from historical truth and empirical fact by envisioning states of being untethered from nature or reality Approaching imaginative modes such as hypothesis conjecture prediction and counterfactuals as instruments of possible knowledge Sarkar exposes how the speculative allure of the possible lurks within scientific experiment induction and theories of probability In showing how early modern literary writing sought to grapple with the challenge of forging knowledge in an uncertain perhaps even incomprehensible world Possible Knowledge also highlights its most audacious intellectual ambition its claim that while natural philosophy or what we today term science might explain the physical world literature could remake reality Enacting a history of ideas that centers literary studies Possible Knowledge suggests that what we have termed a history of science might ultimately be a history of the imagination

Kinesic Humor Guillemette Bolens,2021-04-13

Literature is one of the richest sources of information concerning the ways in which human beings play with cognition. Human cognition is grounded in the ability to feel, perceive and move. Kinesic Humor examines literary works written in different languages and various historical periods in which the cognitive processing of gestures and kinesic interactions trigger humorous effects. By bringing together literary studies, cognitive studies, gesture studies and humor studies, this book offers an original perspective on literary artworks such as Chr tien de Troyes's *Yvain*, Milton's *Paradise Lost*, Cervantes's *Don Quixote*, Rousseau's *Confessions*, Sterne's *Tristram Shandy* and Stendhal's *Le Rouge et le Noir*. N Adam as Israel Seth D Postell, 2012-04-26 Postell contends that the opening chapters of the Bible when interpreted as a strategic literary introduction to the Torah and to the Tanakh intentionally foreshadows Israel's failure to keep the Sinai Covenant and their consequent exile from the Promised Land in order to point the reader to a future work of God. Postell highlights numerous intentional links between the story of Adam and the story of Israel and in the process explains numerous otherwise perplexing features of the Eden story. Postell employs a wealth of theologies to support his argument, including those of Nicholas of Lyra, John Calvin, Wellhausen, Johannes Cocceus and Matthew Poole, successfully breathing new life into the wealth of exegeses. *Proceedings of the Dorset Natural History and Antiquarian Field Club* Dorset Natural History and Archaeological Society, 1888 List of members in each volume *John Milton, Epistolarum Familiarium Liber Unus and Uncollected Letters* Estelle Haan, 2019-10-14 John Milton holds an impressive place within the rich tradition of neo-Latin epistolography. His *Epistolae Familiares* and uncollected letters paint an invigorating portrait of the artist as a young man offering insight into his reading programme, his views on education, friendship, poetry, his relations with continental literati, his blindness and his role as Latin Secretary. This edition presents a modernised Latin text and a facing English translation, complemented by a detailed introduction and a comprehensive commentary. Situating Milton's letters in relation to the classical pedagogical neo-Latin and vernacular contexts at the heart of their composition, it presents fresh evidence in regard to Milton's relationships with the Italian philologist Benedetto Buonmattei, the Greek humanist Leonard Philaras, the radical pastor Jean de Labadie and the German diplomat Peter Heimbach. It also announces several new discoveries, most notably a manuscript of Henry Oldenburg's transcription of Ep. Fam. 25. This volume fills an important gap in Milton scholarship and will prove of particular use to Milton scholars, students, philologists, neo-Latinists and those interested in the humanist reinvention of the epistolographic tradition. **Commonplace Reading and Writing in Early Modern England and Beyond** Hao Tianhu, 2023-12-01 Approaching from bibliographical, literary, cultural and intercultural perspectives, this book establishes the importance of *Hesperides* or the *Muses Garden*, a largely unexplored manuscript commonplace book to early modern English literature and culture in general. *Hesperides* or the *Muses Garden* is a seventeenth-century manuscript commonplace book known primarily for its Shakespearean connections, which extracts works by dozens of early modern English authors, including Shakespeare, Bacon, Ben Jonson and Milton. This book sheds light on the broader significance of

Hesperides that refashions our full knowledge of early modern authorship and plagiarism composition reading practice and canon formation Following two introductory chapters are three topical chapters which respectively discuss plagiarism and early modern English writing early modern English reading practice and early modern English canon formation The final chapter further expands the field to ancient China comparing commonplace books with Chinese leishu exploring Matteo Ricci s cross cultural commonplace writing and re reading Shakespeare s sonnets in light of Ricci s On Friendship The solid book will serve as a must read for scholars and students of early modern English literature manuscript study commonplace books history of the book and intercultural study *Littell's Living Age* ,1889 **Coleridge and the Idea of Friendship, 1789-1804** Gurion Taussig,2002 This book analyzes Coleridge s male friendships during the 1790s It shows the poet s experience of relationship is structured by and contributes to contemporary debate about friendship Examination of Coleridge s epistolary relations with Poole Southey Lamb Lloyd Thelwall Wordsworth and Godwin demonstrates that each friendship negotiates issues of relationship discussed throughout English culture of this period *A Book I Value* Samuel Taylor Coleridge,2021-06-08 Coleridge is such a celebrity that many who have never read *The Rime of the Ancient Mariner* have a fair idea who he was and yet the common impression of him is not flattering He is typically seen as a youthful genius transformed by drugs and philosophy into a tedious sage It is time for a change of image *A Book I Value* offers a one volume sampling of Coleridge s encyclopedic marginalia revealing a figure more complex but also more humanly attractive clever curious playful intense than the one we are used to This book makes a convenient introduction to Coleridge s life the intellectual issues and contemporary concerns that held his attention and the workings of his mind The marginalia represent an unintimidating sort of writing that Coleridge famously excelled at often in books borrowed from friends *A book I value* he wrote I reason quarrel with as with myself when I am reasoning Unlike the complete *Marginalia* in six volumes arranged alphabetically by author this representative selection is chronological and footnote free with a contextualizing introduction and brief headnotes that outline Coleridge s circumstances year by year and provide essential historical information Our own cultural taboo against writing in books is slackening in light of new interest in the history of the book It will be weakened further by the extraordinary and now accessible example of Coleridge who was a remarkably shrewd but at the same time a remarkably charitable reader *American Independent Baker* ,1929 **Poole's Index to Periodical Literature, 1802-1907** ,1903 *Making Milton* Emma Depledge,John S. Garrison,Marissa Nicosia,2021 A collection of essays exploring John Milton s rise to popularity and his status as a canonical author The volume considers Milton s authorial persona in the context of his relationships with his contemporary writers stationers and readers *Their Maker's Image* Mary C.
