Use the following table to find the remote control code needed for your TV. This table provides the most common remote control codes usable by TV manufacturers. The specific buttons each code will provide on your DCR remote may vary by code and by TV manufacturer.

*If your TV does not respond to the 2000 remote, try another three-digit remote code (see the [remote code support](#)) by substituting an alternate three-digit remote code. If you are unable to control your device using Power Search or the numeric keypad, please refer to the [troubleshooting](#) section of the manual for more information.
