Press the F FWD button, while in the playback mode, to visibly search through the recorded material in the forward direction. Press the Play button to return to normal playback operation.

5. Press the Rewind button, while in the playback mode, to visibly search through the recorded material in the reverse direction. Press the Play button to return to the normal playback operation.
7. Press the Pause button, while in the playback mode, to stop action on the screen. Press the Pause button again to return to normal playback operation.
