the traditional teaching of the Orthodox Church about the various stages of the posthumous life of the soul The famous Orthodox French theologian Jean Claude Larchet tried to present in as much detail as possible the Orthodox doctrine of death and resurrection and to make due clarifications to the controversial issues discussed with representatives of other Christian denominations about purgatory prayer for the dead and for the veneration of saints or in the bosom of Russian theology itself about apocatastasis or aerial ordeals *Natural Law and Contemporary Public Policy* David Forte,1998-08-01 Rooted in Western classical and medieval philosophies the natural law movement of the last few decades seeks to rediscover fundamental moral truths In this book prominent thinkers demonstrate how natural law can be used to resolve a wide range of complex social political and constitutional issues by addressing controversial subjects that include the family taxation war racial discrimination medical technology and sexuality This volume will be of value to those working in philosophy political science and legal theory as well as to policy analysts legislators and judges **Messenger and Visitor** ,1908 Nicene and Post-Nicene Fathers: First Series, Volume IV St. Augustine: The Writings Against the Manichaeans, and Against the Donatists Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices **Maximus the Confessor and Evolutionary Biology** Andrew P. Jackson,2024-11-04 This book brings Maximus the Confessor s logoi doctrine into dialogue with modern day evolutionary biology It explores the extent to which the logoi as described by Maximus exhibit features that are concordant with evolution before going on to consider more discordant aspects that cannot be ignored The author addresses the curious resonance between the logoi and evolution in a systematic way through a close reading of primary textual material allied with a deep understanding of both the classical Darwinian and extended evolutionary syntheses The study joins with other Maximian interpreters in attesting to the incarnational and theophanic nature of the logoi but seeks to extend this distinctively Eastern Christo cosmology into the problematic territory of biological

evolution a territory historically dominated by Western scholarship The book will be of interest to scholars of religion and science as well as Patristics and the Eastern Orthodox theological traditions The Street Was Mine M.
