**Genre-Based Strategies to Promote Critical Literacy in Grades 4-8** Danielle E. Hartsfield,Sue C. Kimmel,2019-10-21 Draws on critical and radical change theory to equip both aspiring and practicing library and teacher candidates with practical research based ideas for enacting critical literacy practices in middle grade libraries and classrooms. Genre Based Strategies to Promote Critical Literacy in Grades 4-8 provides strategies and lesson plans with additional resources and tools for school librarians and teachers to engage middle grade students in reading children's literature through a critical literacy lens. To be critically literate readers and thinkers students must learn to question what they read asking themselves who wrote the text why the text was written and how the text positions its readers and others. Teaching students how to read from a critical literacy stance is a timely and relevant practice in a world in which text is available instantly and on nearly any mobile device.
