RE: Your Case Number Here

Child Visitation Rights, Violation Notice

Dear _____:

The purpose of this Certified Letter is to remind you of the visitation provisions in our divorce decree or other court order. According to the divorce decree or other court order, visitation was granted as follows: _____
_____. To date, you have not complied with these child visitation provisions.

It is important for you to support the court's efforts to separate the children and visitation issues, from the other issues we may have between ourselves. Your continued practice of denying visitation is a form of Parental Alienation Syndrome (PAS), and this is not in the best interest of our child!

If I have not heard from you in writing within 20 days from the date of this letter, to commit to the child visitation rights as ordered by the court, I will be compelled to go into court and have you held in contempt.

Spending more time and money on this will not be to anyone's benefit. However, we both have responsibilities and legal rights as parents towards our child, so I will take this step if forced to by your non-compliance.

I hope this letter will help soften your judgment and permit the court ordered child visitations to happen as required by law.

Best regards,

Non-Custodial Parent

cc
Court Authority for the above statements
