

Persuasive Essay

Author: Diyang Qiu

Family travel to Beijing

Beijing is a good place to travel for educating youth to learn about Chinese culture, which combines their latest achievements with ancient history. As it is known to all, Beijing is the capital of China, which has been acting as the Chinese political, economic, cultural, and educational center for a long time. In addition, Beijing provides a wide range of modern and ancient places for family trips including the Beijing Great Wall, the Forbidden City, the Beijing Olympic Stadium, and Hou Hai Bar Street. ("Beijing Travel Guide")

If you want to learn about the Chinese history, come to visit Chinese ancient buildings first. Chinese buildings not only have their unique characteristics, but were also built for different purposes from each other. As time passes by, the Great Wall has become the symbol of China, since it played an important role of defending invasions through Chinese history. In fact, the purpose of construction of the Great Wall was to defensive the invader from the north of China hundreds years ago. It is said that the Great Wall is the only building that can be seen from outer space. It's really a fantastic place to travel for the youth, which let tourists feel the ancient Chinese

Ukiah OR *Automated Essay Scoring* Mark D. Shermis, Jill C. Burstein, 2003-01-30 This new volume is the first to focus entirely on automated essay scoring and evaluation. It is intended to provide a comprehensive overview of the evolution and state of the art of automated essay scoring and evaluation technology across several disciplines including education testing and measurement, cognitive science, computer science, and computational linguistics. The development of this technology has led to many questions and concerns. *Automated Essay Scoring* attempts to address some of these questions including: How can automated scoring and evaluation supplement classroom instruction? How does the technology actually work? Can it improve students' writing? How reliable is the technology? How can these computing methods be used to develop evaluation tools? What are the state-of-the-art essay evaluation technologies and automated scoring systems? Divided into four parts, the first part reviews the teaching of writing and how computers can contribute to it. Part II analyzes actual automated essay scorers including e-rater™, Intellimetric, and the Intelligent Essay Assessor. The third part analyzes related psychometric issues, and the final part reviews innovations in the field. This book is ideal for researchers and advanced students interested in automated essay scoring from the fields of testing and measurement, education, cognitive science, language, and computational linguistics.

The Wiley Handbook of Adult Literacy Dolores Perin, 2019-08-09 Examines the widespread phenomenon of poor literacy skills in adults across the globe. This handbook presents a wide range of research on adults who have low literacy skills. It looks at the cognitive, affective, and motivational factors underlying adult literacy, adult literacy in different countries, and the educational approaches being taken to help improve adults' literacy skills. It includes not only adults enrolled in adult literacy programs but postsecondary students with low literacy skills, some of whom have reading disabilities. The first section of *The Wiley Handbook of Adult Literacy* covers issues such as phonological abilities in adults who have not yet learned to read, gender differences in the reading motivation of adults with low literacy skills, literacy skills, academic self-efficacy, and participation in prison education, and more. Chapters on adult literacy, social change, and sociocultural factors in South Asia and in Ghana, literacy, numeracy, and self-rated health among U.S. adults, adult literacy programs in Southeastern Europe and Turkey, and a review of family and workplace literacy programs are among the topics featured in the second section. The last part examines how to teach reading and writing to adults with low skills, adults' transition from secondary to postsecondary education, implications for policy research and practice in the adult education field, educational technologies that support reading comprehension, and more. Looks at the cognitive processing challenges associated with low literacy in adults. Features contributions from a global team of experts in the field. Offers writing strategy instruction for low-skilled postsecondary students. *The Wiley Handbook of Adult Literacy* is an excellent book for academic researchers, teacher educators, professional developers, program designers, and graduate students. It is also beneficial to curriculum developers, adult basic education and developmental education instructors, and program administrators, as well as clinicians and counselors who provide services to adults with reading disabilities.

Patterns of Change Center for Gifted

Education Staff,2003-08 Mapping Comprehensive Units to the ELA Common Core Standards, K-5 Kathy Tuchman Glass,2012-04-26 A GPS for connecting standards to lessons Translating the Common Core State Standards into an effective curriculum is at the top of many educators to do list and this book shows you how This text familiarizes teachers and curriculum designers with the key points of the ELA core standards and demonstrates how to design effective curriculum units to align with them The author provides practical and accessible tools for developing a map and for making the important connections among all unit map components including differentiated instruction Also included are A rationale for each of the ELA common core standards An overview of the key benefits Reproducible templates and examples of unit curriculum maps **Language Disorders** Robert E.
