

A day to honour our teachers

Teachers are our guiding lights. They impart knowledge to us and guide us to the right paths. However, their hardwork and dedication are only being organized once a year which is on Teacher's Day.

Last Saturday, our school held a grand Teacher's Day celebration to honour our teachers. There was a special assembly in the hall. Our head prefect gave a speech to thank the teachers. He said teachers are like candles that burn themselves out to light up others' lives.

After that, there was a concert put by the students. They performed songs, dances and a drama to entertain the teachers. The highlight of the concert was an item where some teachers were selected to perform an Indian Dance. This drew a lot of laughter and cheering from the audience. The celebration continued with a telematch. Although the teachers were not as agile as the students, they played within the games and ended the telematch with a tie.

Later, everyone gathered in the hall for a feast. A buffet lunch was prepared by the parents to thank the teachers. There was a widespread of mouth-watering food such as spaghetti, assorted sandwiches, and a whole roasted lamb laid out on several tables. Everyone ate to their heart content. The celebration ended with a gift presentation ceremony. Students presented gift to the teachers as a gesture of appreciation. The school was also awarded a couple of teachers for their long services.

The special day reminded us to always appreciate our teachers by carrying out our duties as a student well and work hard to achieve good grades to make them proud.

years back Many pupils students have the habit of memorizing written essays found in books and reproduce them during examinations class exercises or when given project home work when they see that the question being asked is similar to the answered one they came across I hope the experts in the educational sector will agree with me that this does not augur well for the proper development of the child because he she would not have the opportunity to think and plan on his her own before writing a script with originality I stand to be corrected if I am mistaken It is in line with this that I have given only single sample essays per essay topic treated with more suggested outlines plans Most people often fail to plan their lives and this usually have disastrous effects on them Also in writing examination most candidates fail to plan their essays before answering selected questions As the old adage says If you fail to plan you plan to fail It is based on the above that in writing this book I dedicated the first chapter to the basics of essay writing Below is an excerpt of chapter one of the book After highlighting on the basics of essay writing I went ahead to discuss what paragraphs are and how they can be used in our daily writings This is followed by the use of punctuation marks Here again I have given a comprehensive write up as to how punctuation marks can be used to enrich our written works Other topics covered in the book are writing of narrative essays descriptive essays friendly letters semi formal letters summary writing argumentative essays speeches and talks report writing articles for publication expository essays and advertisement After a comprehensive logical and coherent treatment of each topic I followed up with sample questions outlines plans and essays These are only to serve as a guide to users of the book I will like to take this opportunity to entreat teachers to encourage pupils students whom they teach to learn how to write an outline plan and to use it when answering essay related questions not only with English language but with all other subjects that they deem it fit to apply Some people may not see the usefulness of the outline plan but it helps the pupil student
