

Affidavit Letter of Support

My name is Alex Johnson, and I reside at 123 Maple Street, Albany, NY 12207, USA. I am writing this affidavit to express my full support for Jordan Smith in their immigration application.

I have known Jordan Smith for over eight years, during which time we have developed a close friendship. I can attest to Jordan's outstanding character, work ethic, and commitment to the well-being of others. Jordan has consistently demonstrated qualities such as integrity, reliability, and compassion, which make them an invaluable member of our community.

Jordan has been actively involved in various community initiatives, including volunteering at the local community center, organizing neighborhood events, and leading a youth mentorship program. These activities have not only benefited many individuals but also strengthened the bonds within our community. Jordan's contributions reflect their dedication to making a positive difference, and I firmly believe that they will continue to contribute significantly if given the opportunity to reside in the United States.

As someone who knows Jordan personally, I can confidently state that they are a person of great moral character and strong values. They are always willing to assist others and have been a source of support to many, including myself. Jordan's work with vulnerable members of the community, such as assisting the elderly and mentoring young people, is a testament to their dedication to helping others.

I fully support Jordan Smith's immigration application and believe that they will be a valuable asset to the community and to the country as a whole. I declare that the statements in this affidavit are true to the best of my knowledge and belief.

If any additional information is required, please do not hesitate to contact me at the provided phone number or email address. I am prepared to provide further testimony in support of Jordan Smith if necessary.

I am confident that Jordan Smith will be an asset to our community and to the country as a whole. I declare under penalty of perjury that the statements made in this affidavit are true and correct to the best of my knowledge and belief, as of this 30th day of April, 2095.

Health-Harming Legal Needs Rami Shoucri, Jennifer Stone, 2025-09-23
Health Harming Legal Needs equips primary health care professionals with the tools to recognize and respond to legal issues that are injurious to health, particularly among low-income patients. Co-developed by medical and legal experts, this book advances health equity through the integration of legal support into clinical care. Utilizing a practical, case-based approach, it helps clinicians identify when legal issues such as eviction, denial of social benefits, immigration status, family breakdown, discrimination at work, or criminal legal system involvement may be undermining their patients' health. It also focuses on several patient populations with unique legal needs, including pediatric patients, people living with HIV, Indigenous peoples, and people living with intellectual or developmental disabilities. It demystifies the legal systems that patients interact with and builds clinician confidence in navigating and leveraging community legal support. Central to the book is the introduction of Health and Justice Partnerships, a flexible collaborative model that brings legal and health professionals together to address the root causes of poor health. By fostering shared understanding and joint dialogue across sectors, the text shows how meaningful legal health collaboration can enhance patient care, reduce provider burnout, and promote equity and access to justice. Through real-world examples and actionable guidance, the book underscores that legal support can make a decisive difference in moments that feel hopeless for both patients and care teams. It ultimately encourages clinicians to see legal advocacy as part of a holistic approach to care and offers a road map for integrating this perspective into their practice.
