

Movie Review: Django

Orientation:

Django- Unchained is actually the remake of 70's film Django, with the same basic story about a cowboy's life. However, you will not get only about that in this brand new Django-Unchained, because there are so many conflicts in the story that could get us involved into this drama-action film. The act of the actors and the actors is definitely make us who have watched, feel the untamed life in the time before the United States Civil War.

Interpretative Recount:

Django (Jamie Foxx) who is a black skin slave, struggling to survive while being sold too many plantation. He also separated from his wife Broomhilda (Kerry Washington), who is also sold to everywhere, as a slave. Coincidentally, Django met Dr King Schultz (Christopher Waltz), who has a side work as bounty hunters. Turns out Django knew about some people, who are a wanted man, who is being hunt by Dr Schultz. Django and doctor then making a deal, which is to search those people, find them, and kill them. In addition, as a reward, Django will be given 1/3 of the victims price. Soon after they found the wanted men, they successfully killed them. Dr Schultz then knew that Django has a great ability to use a riffle gun. Dr Schultz then offering to Django to work with him during winter season, and Dr Schultz promised to help him finding his wife, Django then agree. After collecting some money during winter season, they got an information that Broomhilda is working at Candy Land, owned by Calvin Candy (Leonardo DiCaprio), a great merchant from Mississippi. Not long after that, they finally met Mr. Candy and they finally can get into his house after they act as businessman who want to have a trade. In Calvin Candy's house they met his head slaver Stephen (Samuel L Jackson) and Broomhilda. But soon Stephen knows about their plan to take Broomhilda runaway, because there are no other options, Dr Schultz shot Mr. Candy. Some shooting then happened, but after almost killing, all men who wants to get him Django Surrender. Tomorrow after incident, Stephen trying to sell Django to another merchant. But Django successfully escaped. He then planning to make a revenge against Stephen and rest of Calvin Candy's family. He made it then, exploding Calvin Candy's house with some dynamite, and take Broomhilda away.

Evaluation:

Everyone who have watch it has rated Django-unchained as a drama-action film high. Quentin Tarantino as a producer could interpretative the hard life when slavery contaminating United States of America. At some reasons this film tells us that slavery is not a good thing, so is apartheid. The way of the story flows is is not difficult to be followed, but still containing quite tensions due to some conflicts in it. This film must be one of the best drama film in 2012. We will not bored to watch this film, because the scene is almost a perfection, with a very little mistakes and the setting of the places is just wonderful. Those things is vital to hold the strength of the theme. Django-Unchained also has a good quality of sound display. The remake of song "Django" by Luiz Bacalov into English is perfect, and the combination between it and some modern song is fully balanced. For the characterization, Jamie Foxx, Christopher Waltz, Leo DiCaprio, Kerry Washington and Samuel L Jackson as the main character has definitely done a great job. However, it is not so surprising because they are all well known as a highly reputed actors and actor. It is very difficult to found the weaknesses of this film. Because as you know this film is make by many professional crew team from Quentin Tarantino.

Conclusion:

For the Action lover film, this film is perfect for you. However, don't make any mistakes because the drama in this film is also brilliant. So for those who haven't, you are strongly recommended to watch this movie.
