Business Daniel R. Hogan,Daniel R. Hogan Jr. Ph. D.,2011-05 The Entrepreneur s Guide To Start Grow and Manage a Profitable Business In his book *The Right Stuff* Tom Wolfe describes what it took for the early test pilots to succeed A career in flying was like climbing one of those ancient Babylonian pyramids made up of a dizzy progression of steps and ledges and the idea was to prove at every foot of the way that you were one of the elected and anointed ones who had the right stuff and could move higher and higher and even ultimately God willing one day that you might be able to join that special few at the very top that elite who had the capacity to bring tears to men s eyes the very brotherhood of the right stuff itself Although success as an entrepreneur launching a new business does not include feeling superior or facing death it does require that a person have a special set of qualities and skills with which to exercise good judgment make wise decision take calculated risk and get along with and lead others The The Entrepreneur s Guide To Start Grow and Manage a Profitable Business provides what it takes what is the right stuff for the successful entrepreneur The most successful entrepreneurs are not necessarily those who work hardest or longest Successful business owners are those who have a vision that can see beyond the bottom line who have learned to manage their professional and personal lives Making it with a new business venture requires all the traits of an entrepreneur as enumerated in The Entrepreneur s Guide as well as the knowledge skills and persistence to grow and withstand the stress ambiguity conflicting objectives emotions and chaos that comes with a new business effort

Achieving this balance is what The Entrepreneur s Guide is about It will help you steer a path to guide you with the right stuff to the top of the pyramid of business success *Problems with Small Business Administration, Financial Assistance to Franchises* United States.
