Universal Remote Control (remote control)

READ THIS FIRST AND THE REMOTE CONTROL

Before you use the remote control, read this manual carefully. It contains important information about the remote control and the universal remote control. It also contains information about the remote control's features and how to use them.

For the best results, use the remote control only when the battery is fully charged. The remote control will not work if the battery is low. To check the battery level, see the "Battery Status" section of this manual.

Step 1: Install your batteries

For the universal remote control to work, it must have two batteries installed. The batteries are located in the back of the remote control.

TO INSTALL BATTERIES:

1. Remove the battery cover from the back of the remote control.
2. Insert the batteries, making sure the positive (+) and negative (-) terminals are correctly aligned.
3. Push the battery cover back into place.

BATTERY STATUS

The remote control has a battery status indicator. When the battery is low, the indicator will light up. To check the battery status, see the "Battery Status" section of this manual.
