

Standard vs. Learning Target

Standard: What we want students to be able to know and do at the end of any given time; standards are provided by the state(s) and derived from the National Standards. *Also can be known as Performance Expectations (PE in math), Content Standards (in science), GLE (reading, writing, social studies...)*

Learning Targets: These are statements of *intended learning based on the standards*. Learning targets are in kid friendly language and are *specific to the lesson for the day and directly connected to assessment*.
