De Gruyter Handbook of Sociology of Innovation and Entrepreneurship Olav Sorenson,Patricia H. Thornton,2025-04-21 The number of organization theorists and sociologists studying innovation and entrepreneurship has grown rapidly over the past two decades yet it has been roughly 15 years since any volume has attempted a comprehensive review of the state of the literature In addition to having grown rapidly the sociological literatures on entrepreneurship and innovation have evolved relatively independently However there are intellectual synergies to be gained in connecting these two literatures A large share of innovation happens in the context of startups and a large share of startups pursue innovation

through the commercialization of products and services Featuring engaging contributions from leading scholars in the field the De Gruyter Handbook of Sociology of Innovation and Entrepreneurship is a must have and up to date summary of the literatures on the sociology of entrepreneurship and innovation It is a comprehensive reference work highlighting emerging areas and cutting edge research while also providing a vibrant agenda that empowers scholars and students to generate new ideas and knowledge

A Scarlet Death Elaine Viets,2024-04-02 Angela s new case is full of dark secrets and scandal but shocking events closer to home prove to be her biggest challenge yet Nobody in Chouteau Forest expected one of their most prominent citizens socialite Selwyn Skipton to be found dead in such salacious circumstances strangled on satin bedsheets a red letter A brutally stapled to his chest in his private apartment above the Chouteau Forest Chocolate Shoppe Selwyn was a good man He gave to charity supported local causes and was married to his wife for more than twenty years What did he do to deserve such a terrible end As Death Investigator Angela Richman investigates she uncovers Selwyn s dark secret but also faces an unexpected chilling conundrum closer to home

Tech Olivier Alexandre,2025-09-23 The first holistic analysis of the space mindset and inner workings of Silicon Valley in a generation Sometimes only an outsider can show how an industry works and how that industry works upon the world In Tech sociologist Olivier Alexandre takes us on a revealing tour of Silicon Valley s prominent personalities and vibrant networks to capture the way its denizens live think relate and innovate and how they shape the very code and conduct of business itself Even seasoned observers will gain insight into the industry s singular milieu from Alexandre s piercing eye He spends as much time with Silicon Valley s major players as with those who fight daily to survive within a system engineered for disruption Embedded deep within the community Alexandre accesses rooms shut tight to the public and reports back on the motivations ambitions and radical vision guiding tech companies From the conquest of space to quantum computing engineers have recast the infinitely large and small Some scientists predict the end of death and the replacement of human beings with machines But at what cost Alexandre sees a shadow hanging over the Valley jeopardizing its future and the economy made in its image Critical yet fair Tech illuminates anew a world of perpetual revolution
