Subject: Informing relatives about positive pregnancy test.

Dear Mary,

How are you? Hope you are doing very well. I am very happy at this moment and I have written this letter to you to share the happiness. Today I want to give you good news that my wife Neeta is expecting a baby and her pregnancy is normal with god's grace. We all are very happy to hear that and since that moment we are taking her care and trying our best to keep her happy so that the baby will be healthy and normal. We are following all the guidelines given by the doctor and we hope that we get a very good healthy baby soon. We were so cheerful when she confirmed the news. We thought of sharing this with you and I am sure that you will be too happy after reading this letter. I request to be in touch with her and also give her some guidelines for a successful motherhood, indicate her that you are always with her and close to the heart.

With best wishes

Yours lovingly,

Suzanne
