Re: **Formal Letter of Reprimand**

Dear Name:

This letter serves as a formal letter of reprimand for your actions on _____, when you _____.
We met on _____ to discuss this situation and for me to gain your perspective.

In our meeting you stated that (describe employee's statements, including any acceptance of responsibility or pledge to change behavior).

(If applicable) I am particularly concerned because we have already met regarding (identify behavioral concern) in the past. On (date) we discussed (describe past conferences on same issue). You agreed to (describe changes employee was to make).

(Name), your recent behavior is unacceptable. You must ensure that this behavior does not occur again. (Identify steps to be taken by employee).

I will continue to monitor your behavior in the coming months. In the meantime, if there is any assistance that I can provide you in order to help you take the steps described above, please do not hesitate to let me know. Please be advised that future concerns may result in additional disciplinary action, which could include a recommendation for suspension without pay or a recommendation for the termination of your employment.

Sincerely,

EBOOK: Learning Teaching from Teachers: Realising the Potential of School-Based Teacher Education Hazel Hagger,Donald McIntyre,2006-10-16 The impressive strengths of this book are its breadth of scope the depth of its grounding in the real life of schools its clarity of structure and argument and its far reaching suggestions for reforming school based teacher education The book also demonstrates in every chapter the authors unwavering though not uncritical regard for the profession of teaching Lesley Saunders Professional Development Today The move to school based initial teacher education has opened up exciting opportunities for student teachers to learn from practising teachers expertise However making the most of these opportunities is not straightforward since much of that expertise is embedded in practice and rarely articulated The book Brings together a wide range of research on teachers expertise and beginning teachers learning Reports a research project on helping student teachers to gain access to experienced teachers expertise Considers the wider implications of that research for the development of school based initial teacher education Explores how school based initial teacher education can be improved if it is professionally planned in an informed and well thought out way Shows how curricula can be developed to help student teachers learn from experienced teachers and from everyday life in schools Makes suggestions for initiatives to improve school based initial teacher education Examines the conditions that are necessary for school based initial teacher education to realize its full potential Learning Teaching from Teachers is a key text

for all teacher educators including school based mentors It is also important reading for teachers involved in Masters courses in mentoring and teacher education Legislative History of S. 2527, 100th Congress, Worker Adjustment and Retraining Notification Act, Public Law 100-379 ,1990 **Violence in Schools** Florence Denmark,Uwe Gielen,Herbert H. Krauss,Elizabeth Midlarsky,R. Wesner,2006-06-14 During the 1940s teachers were certain they had some grievous complaints about students behavior in school Among these were excessive noise littering and gum chewing More recently teachers concerns have taken on a far more dire tone Today their focus is on the rape robbery and substance abuse incidents that occur in alarming numbers in their workplaces In recent years the news on violent crime in our schools has often been devastating And although school officials have begun taking measures to decrease the level of violence on their grounds e g installing metal detectors hiring guards to patrol hallways the violence that continues to occur is often more lethal and no less troubling To further understand and ameliorate the causes of violence among our children especially at school this book takes a comprehensive approach to addressing the issues Violence in Schools Cross National and Cross Cultural Perspectives provides both a broad overview of violence in schools and offers specific descriptions of models that have been used successfully within school settings to prevent violent crime from occurring For example this volume Recognizes that violence on school grounds is a global problem that requires an international perspective to counteract Takes a broad view of what constitutes violence that is the focus is not only on physical assault but the neglect and abusive behavior e g racism sexism cultural discrimination and suppression that contribute to its occurrence Explores the history of the phenomenon of school violence in order to effectively ameliorate its current condition Violence in Schools Cross National and Cross Cultural Perspectives speaks with legitimate authority to scholars as well as to those on the frontlines in combating school violence including school and counseling psychologists schooladministrators teachers and staff as well as concerned parents

Managing Behaviour in the Primary School Jim Docking,Michelle MacGrath,2013-06-19 The original edition of this book made accessible to primary school teachers and student teachers the means of putting many of the Elton Report s findings into practice The author s philosophy on behavior management still stands but the ideas have been revised and updated to take account of more recent thought about good practice in primary education and the management of schools today The book suggests tried and tested strategies for forestalling behavior problems through thoughtful class management and lesson planning responding positively to behavior incidents communicating positive expectations and enhancing pupil motivation There are useful checklists throughout and material for experienced staff as well as for students and newly qualified teachers The annual report of Her Majesty's Chief Inspector of Education, Children's Services and Skills 2010/11 Great Britain: Office for Standards in Education, Children's Services and Skills,2011-11-22 Ofsted today publishes the Annual Report 2010 11 drawing on over 31 000 inspection visits across the schools early years children s social care and learning and skills sectors in England Launched by Her Majesty s Chief Inspector Miriam Rosen this in depth analysis

provides an insight into the quality of those services for children and learners what is working well and what needs to improve The report highlights how an inadequate inspection judgement whether for a children s home or a school a college or a nursery can be an important catalyst for change For example the total number of schools in a category of concern that is judged to be in special measures or being given a notice to improve reduced from 553 at the end of last year to 451 at the end of August 2011 Over a fifth of schools judged inadequate at their previous inspection were found to be good or better when inspected again this year In addition schools are now emerging from special measures faster than the previous year after an average of 18 months rather than 20 In inspections of local authorities children s social care where Ofsted completed the second full year of unannounced inspection of contact referral and assessment arrangements weaknesses identified the previous year had been addressed in the great majority of cases
