Computer and Computing Technologies in Agriculture III Daoliang Li, Chunjiang Zhao, 2010-04-11 I want to express my sincere thanks to all authors who submitted research papers to support the Third IFIP International Conference on Computer and Computing Technologies in Agriculture and the Third Symposium on Development of Rural Information CCTA 2009 held in China during October 14-17, 2009. This conference was hosted by the CICTA EU China Centre for Information Communication Technologies, China Agricultural University, China National Engineering Research Center for Information Technology in Agriculture, Asian Conference on Precision Agriculture, International Federation for Information Processing, Chinese Society of Agricultural Engineering, Beijing Society for Information Technology in Agriculture, and the Chinese Society for Agricultural Machinery. The plenary sponsor includes the Ministry of Science and Technology of China, Ministry of Agriculture of China, Ministry of Education of China, among others. The CICTA EU China Centre for Information Communication Technologies, China Agricultural University, focuses on research and development of advanced and practical technologies applied in agriculture and on promoting international communication and cooperation. It has successfully held three International Conferences on Computer and Computing Technologies in Agriculture, namely CCTA 2007, CCTA 2008, and CCTA 2009. Sustainable agriculture is the focus of the whole world currently, and therefore the application of information technology in agriculture is becoming more and more important. Informatized agriculture has been sought by many countries recently in order to scientifically manage agriculture to achieve low costs and high incomes. *HWM*, 2008-05.
