**Information Communication Technologies for Human Services Education and Delivery: Concepts and Cases**

Martin, Jennifer,Hawkins, Linette,2009-08-31 This book covers main areas of education and practice of disciplines engaged in the human services includeing policy community work community education field education professional practicum health promotion individual and family work Provided by publisher **Pocket Guide to Teaching for Medical Instructors**

Advanced Life Support Group (ALSG),2011-09-07 This new edition of the bestselling Pocket Guide to Teaching for Medical Instructors by the Advanced Life Support Group and Resuscitation Council UK provides an updated guide for instructors teaching on life support courses Compiled by authors experienced in designing highly respected and successful courses this guide gives sound clear advice on the most effective methods of teaching Content covers an introduction to the basic principles of teaching and deals in detail with a number of modes of teaching on courses Lectures skill stations role play workshops discussions and e learning are all explored and in each case practical guidance is given to help the reader to become a more effective teacher Though designed for trainees on life support instructor courses Pocket Guide to Teaching for Medical Instructors contains practical guidance applicable to any health professional interested in becoming a more effective teacher **Myth of Motivation. New Ways to Reach Goals** Simone Janson,2025-03-19 Also in the 7th revised

and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because everyone probably knows the feeling of being unmotivated But what helps to get motivated again and get into the flow And how can you also pull others along with you After all there are motivation coaches and motivation strategies like a dime a dozen but in fact the classic concept of motivation has long since become obsolete because it is hardly possible to convince people of something they don t really want themselves Intrinsic motivation is the magic word because unlike extrinsic motivation the real art is to inspire rather than motivate This book shows how to do this

With its integrated knowledge system and Info on Demand concept the publisher not only participated in an EU funded program but was also awarded the Global Business Award as Publisher of the Year Therefore by purchasing this book you are also doing good The publisher is financially and personally involved in socially relevant projects such as tree planting campaigns the establishment of scholarships sustainable innovations and many other ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported data analysis which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services free of charge available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher and editor Simone Janson is also a bestselling author and one of the 10 most important German bloggers according to the Blogger Relevance Index Additionally she has been a columnist and author for renowned media such as WELT

Wirtschaftswoche and ZEIT you can learn more about her on Wikipedia *Oxford Textbook of Communication in Oncology and Palliative Care* David William Kissane, Barry D. Bultz, Phyllis N. Butow, Carma L. Bylund, Susie Wilkinson, 2017

Communication is a core skill for medical professionals when treating patients Cancer and palliative care present some of the most challenging clinical situations This book provides evidence based guidelines alongside case examples tips and strategies to achieve effective patient centred communication **Be Creative on the Job** Simone Janson, 2025-02-27 Also in the 7th

revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because everyone talks about innovation and creativity in practice many new ideas fail especially in the implementation of projects because of a lack of willingness to change exaggerated fears or simply good will but often also because of wrong or missing communication of the managers This book shows how best to deal with one's own creativity in everyday professional life how to solve problems and conflicts in a creative way and thus achieve one's own

goals With its integrated knowledge system and Info on Demand concept the publisher not only participated in an EU funded program but was also awarded the Global Business Award as Publisher of the Year Therefore by purchasing this book you are also doing good The publisher is financially and personally involved in socially relevant projects such as tree planting campaigns the establishment of scholarships sustainable innovations and many other ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported data analysis which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freeky available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That s why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher and editor Simone Janson is also a bestselling author and one of the 10 most important German bloggers according to the Blogger Relevance Index Additionally she has been a columnist and author for renowned media such as WELT Wirtschaftswocche and ZEIT you can learn more about her on Wikipedia
