Methodist Review, 1907 *The Lost Education of Horace Tate* Vanessa Siddle Walker, 2018-07-31 A Publishers Weekly Best Book of 2018 An important contribution to our understanding of how ordinary people found the strength to fight for equality for schoolchildren and their teachers Wall Street Journal In the epic tradition of *Eyes on the Prize* and with the cultural significance of John Lewis's March trilogy an ambitious and harrowing account of the devoted black educators who battled southern school segregation and inequality For two years an aging Dr Horace Tate a former teacher principal and state senator told Emory University professor Vanessa Siddle Walker about his clandestine travels on unpaved roads under the cover of night meeting with other educators and with Dr King Georgia politicians and even U S presidents Sometimes he and Walker spoke by phone sometimes in his office sometimes in his home always Tate shared fascinating stories of the times leading up to and following *Brown v Board of Education* Dramatically on his deathbed he asked Walker to return to his office in Atlanta in a building that was once the headquarters of another kind of southern strategy one driven by integrity and

equality Just days after Dr Tate s passing in 2002 Walker honored his wish Up a dusty rickety staircase locked in a concealed attic she found the collection a massive archive documenting the underground actors and covert strategies behind the most significant era of the fight for educational justice Thus began Walker s sixteen year project to uncover the network of educators behind countless battles in courtrooms schools and communities for the education of black children Until now the courageous story of how black Americans in the South won so much and subsequently fell so far has been incomplete The Lost Education of Horace Tate is a monumental work that offers fresh insight into the southern struggle for human rights revealing little known accounts of leaders such as W E B Du Bois and James Weldon Johnson as well as hidden provocateurs like Horace Tate
