Story Starter:

There was the first time to leave the school library. The first around the corner, through an old, redwood book that he found tucked behind a row of dusty encyclopedias. The room had no air, but the pages were filled with vibrant handwriting, almost like a story.

As he turned to the back entry, the words seemed to glow faintly under the dim light.

"The afternoon would be... I hope you are ready?"

The light flickered. A sudden gust of wind rustled the pages.

Lines of text seemed

The library doors were closed

And he was no longer there?

Choose Your Middle Twist

1 The first time that he took steps back from the book, the words suddenly changed. The words below seemed replaced by vibrant colors and vibrant words. The story is still in his hands, but now the words had changed—the words he written on it. And he didn't know the difference before he was there.

2 Write down your choices in the space below. Use a separate piece of paper to write your story.

Bonus Challenge: Story Remix

For a fun twist, remix settings with a twist and create a new ending to add new layers to the story. Can you make it sound better than ever before?
