Dear Name:

My name is Stanley Johnson and my Tax ID is 123-45-6789. I just received the county tax letter from your office, and I was surprised to see that I have been taxed based on my house being worth \$400,000. I believe there was a mistake in the computation. Just a couple of months ago, I had my house revalued because I was hoping to apply for a second mortgage. During that time the house was just valued at \$250,000, and I cannot believe that the value of the house increased by a whopping \$150,000 in a matter of two months.

I have enclosed copies of the recent mortgage valuation of the house and I have added some other valuations of the houses on our street. I would like to ask your good office to have your records amended and send me another county tax letter based on the correct value of my property. If you will need additional supporting documents or any other information, please inform me the soonest possible time.

Thank you for your time.

Respectfully yours,

Your Name

Senate,1857 **Hope Springs Eternal in the Priestly Breast** James Valladares, PhD,James Valladares,2012 The clergy abuse scandal has posed the greatest threat to the traditional understanding of the Catholic priesthood since the Protestant Reformation Now as then the deadliest attacks are coming from within the Church In an attempt to improve a system that allowed a small minority of the clergy to violate children and ameliorate the gross negligence of some bishops who recycled these predators the American bishops instituted the Charter for the Protection of Children and Young People in 2002 It is unfortunately doing the Church more harm than good In Hope Springs Eternal in the Priestly Breast Fr James Valladares shows how justice and charity have been violated by some bishops in dealing with accused priests He examines the pertinent canons that guide the Church s judicial system and finds that these are often ignored or wrongly applied He provides true cases that highlight the injustice of the process and the agony of priests who have been subjected to the

charter's draconian mandates The Church has incurred tremendous financial losses because of settlements rising from both legitimate and false claims Her image has been marred by the secular media which has taken advantage of the crisis Even so we often fail to understand how trivial these are in comparison to the damage done to the priesthood by the enactment of the charter's policies This is the most pressing issue that the bishops need to address **Historical Tracts of S.
