

Welcome! Help Make Your Daisy's Experience Bloom with Possibilities

Dear Daisy Friends and Family Network:

Your Girl Scout Daisy has joined a team of girls on a unique journey into the Daisy Flower Garden. As the girls explore planting, growing, and the positive values of the Girl Scout Law, they will also get their first taste of environmental stewardship.

Your active participation can make the girls' experience even more valuable and memorable. Please take a moment to review the enclosed checklist to tell us which areas you might know something about (or be willing to learn), or have time to volunteer for, so that your Daisy and her sister Girl Scouts will have the richest experience possible.

Then please identify on the enclosed Garden Project Possibilities list any garden spaces in your community that might benefit from the Daisies' help. And if you have any community contacts who might like to assist, let us know that, too.

The girls and I look forward to hearing from you—and seeing you at sessions throughout the journey.

Sincerely,

[YOUR NAME]

Allen, 1996-01-01 First ever career spanning retrospective of the nineteenth century New York sculptor Charles Calverley **Daisy Ashford** R. M. Malcomson, 1984 **Report** Tribune fresh air fund aid society, 1918 *Queen of the Pulp* Laurie Powers, 2019-09-26 Daisy Bacon the opinionated autocratic and complex editor of Love Story Magazine from 1928 to 1947 chose the stories that would be read by hundreds of thousands of readers each week The first weekly periodical devoted to romance fiction and the biggest selling pulp fiction magazine in the early days of the Great Depression Love Story sparked a wave of imitators that dominated newsstands for more than twenty years Disparaged as a love pulp the magazine actually championed the modern girl bringing its heroines out of the shadows of Victorian poverty and into the 20th century With Love Story's success Bacon became a national spokesperson declaring that the modern woman could have

it all in love in marriage and in the business world Yet Bacon herself struggled to achieve that ideal especially in her own romantic life built around a long term affair with a married man Drawing on exclusive access to her personal papers this first ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships Sir John George Bourinot, Victorian Canadian Margaret Banks,2001-04-23 As clerk of the House of Commons Bourinot advised the speaker and other members of the house on parliamentary procedure he also wrote the standard Canadian work on the subject A founding member of the Royal Society of Canada he played a leading role during the Society s first twenty years Ahead of his time in writing intellectual history Bourinot was also an early supporter of higher education for women He was a man of contrasts an early Canadian nationalist as well as an imperialist In spite of the constitutional changes of 1982 there is still much in Bourinot s writing that is relevant today **Canton Elegy** Stephen Lee,Howard Webster,2013-10-03 Stephen Lee s grandchildren knew him as a humble grocer Beneath his humble exterior however lay one of the most extraordinary stories of the twentieth century Lee was born in Canton China in 1902 As a teenager he was sent to live with relatives in San Francisco He attended college at Iowa State and later transferred to UC Berkeley where he was one of the first Chinese Americans to receive a degree The widespread racism of the time prevented Lee from landing a job in his chosen field of finance so he burned his papers and returned home to China With the clouds of war gathering Lee an anti communist found work in the accounting and logistics office of the Cantonese Air Force where he quickly rose to Colonel and comptroller In 1929 after securing his position he married a local beauty named Belle and in 1930 his first child Amy was born When the Japanese pushed south from Manchuria in 1936 the Cantonese Air Force was merged with that of Chiang Kai shek s and Lee was forced to flee with his wife and four children to Hong Kong There Lee took a job with the Canton Trust Company On the eve of the bombings at Pearl Harbor the board of the Canton Trust made the fateful decision to send Lee to Kwelin to set up a new office After Hong Kong fell to the Japanese Belle and the children were force to flee on foot to Kwelin which became a three hundred mile six week ordeal of hunger and hardship In 1943 Kwelin was evacuated and the Lees were once again on the move Forced to play the part of refugees the Lees moved up river eventually landing in the small village of Foo Luke outside of Chungking There Stephen was invited to teach accounting at the local university But tragedy soon struck again when a sudden flood nearly washed the family down the Yangtze River After the war the Lees returned to Canton where they found that their home had been converted into an auto repair shop by the Japanese Undaunted Belle set about rebuilding it while Stephen helped return the city to civilian rule By 1948 however the Communists were bearing down on Canton and Lees were compelled to relocate again In 1955 the Lees fled for a final time to America Back in San Francisco Lee found that attitudes towards Chinese immigrants had not changed much since he first left there 30 years before Canton Elegy is a love story an adventure and an intimate portrait of one family s struggle to survive Stephen Jin Nom Lee his beautiful wife Belle and their four young children braved famine flood corruption and the

devastation of war on their journey to America Written so that his grandchildren might one day understand the quiet man who ran the local grocery store Canton Elegy has all the action of a Hollywood blockbuster From the 300 mile journey Belle and the children take on foot to the night when Stephen stands at his window watching Canton burn Canton Elegy describes events with an artist's sensibility and a poet's heart Children and Consumer Culture in American Society Lisa Jacobson,2007-12-30 Children play a crucial role in today's economy According to some estimates children spend or influence the spending of up to 500 billion annually Journalists sociologists and media reformers often present mass marketing toward children as a recent fall from grace but the roots of children's consumerism and the anxieties over it date back more than a century Throughout the twentieth century a wide variety of groups including advertisers retailers parents social reformers child experts public schools and children themselves helped to socialize children as consumers and struggled to define the proper boundaries of the market The essays and documents in this volume illuminate the historical circumstances and cultural conflicts that helped to produce shape and legitimize children's consumerism Focusing primarily on the period from the Gilded Age through the twentieth century this book examines how and why children and adolescents acquired new economic roles as consumers and how these new roles both reflected and produced dynamic changes in family life and the culture of capitalism This volume also reveals how children and adolescents have used consumer goods to define personal identities and peer relationships sometimes in opposition to marketers' expectations and parental intentions **Unending Devotion** Jody Hedlund,2012-09-01 High Stakes Drama Meets High Tension Romance In 1883 Michigan Lily Young is on a mission to save her lost sister or die trying Heedless of the danger her searches of logging camps lead her to Harrison and into the sights of Connell McCormick a man doing his best to add to the hard earned fortunes of his lumber baron father Posing during the day as a photographer's assistant Lily can't understand why any God-fearing citizen would allow evil to persist and why men like Connell McCormick turn a blind eye to the crime rampant in the town But Connell is boss man of three of his father's lumber camps in the area and like most of the other men he's interested in clearing the pine and earning a profit He figures as long as he's living an upright life that's what matters Lily challenges everything he thought he knew and together they work not only to save her sister but to put an end to the corruption that's dominated Harrison for so long

FDR and Lucy Resa Willis,2004-10-28 The last face FDR saw before he died was that of Lucy Mercer Rutherford his mistress of thirty-one years Although Eleanor his children and the press knew about Lucy the American public would not hear of her until 1966 FDR and Lucy is the first book to delve into this hidden side of FDR's life Drawing on documents from the Roosevelt Presidential Library as well as visits to Lucy's homes biographer Resa Willis explores how this life-long love affair changed the course of his marriage and the presidency Roosevelt fell in love with Lucy in 1914 and for the next three decades she provided him comfort from the pressures of his job and the critical eyes of his mother and wife Illuminating a critical era in American history Willis explores why the press dared not report the affair Willis also suggests that Eleanor's

discovery of Lucy in 1918 marked the end of the Roosevelt s personal marriage and the beginning of their political marriage and Eleanor s groundbreaking activism A true love story with historical impact FDR and Lucy paints a compelling portrait of one of the most famous other women in American history giving us a window into FDR s impassioned life and presidency

Lillian WR Woodbury,2021-05-04 Halfway through the First World War a young English woman finds herself an unwed mother for the second time She survives the bombing of London and emigrates to Canada to raise her children with a sequence of husbands Her daughter falls in love with a country boy who is wrenched away by the Second World War but returns safely to a humdrum suburban life and steady work on the railways Their marriage is strained by his work absences suspected dalliances the problems of raising a family of girls and the inevitable truces of middle age As the women s lives merge and separate their stories are interwoven with the daughter s told in reverse order We meet women who persist and find ways to adapt to the male dominated society Through illogical love in the time of Edwardian patriarchy to the stormy seas of poverty the bite of the Canadian winter and horrifying stillness of personal tragedy it is the women in the story who stay strong They do what mothers have always done and shoulder the ultimate responsibility for their families The women survive while the men come and go
