

SAMPLE LETTER TO SCHOOL REQUESTING IEP TESTING

Dear [Principal's Name],

This letter formally requests an Individualized Education Program (IEP) assessment for my child, [Child's Name], a student in [Child's Grade] at your school.

Specifically, we have noticed [clearly and concisely list 2-3 specific observable concerns, e.g., difficulty focusing in class, significant struggles with reading comprehension, frequent emotional outbursts].

We believe a comprehensive evaluation is necessary to determine if [Child's Name] qualifies for special education services under the Individuals with Disabilities Education Act (IDEA).

Thank you for your time and consideration. We look forward to hearing from you soon.

Sincerely,

[Your Name]

A Critical Discourse Analysis of Family Literacy Practices Rebecca Rogers, 2003-06-20 In this groundbreaking cross disciplinary book Rebecca Rogers explores the complexity of family literacy practices through an in depth case study of one family the attendant issues of power and identity and contemporary social debates about the connections between literacy and society The study focuses on June Treader and her daughter Vicky urban African Americans labeled as low income and low literate Using participant observation ethnographic interviewing photography document collection and discourse analysis Rogers describes and explains the complexities of identity power and discursive practices that June and Vicky engage with in their daily life as they proficiently critically and strategically negotiate language and literacy in their home and community She explores why despite their proficiencies neither June or Vicky sees themselves as literate and how this and other contradictions prevent them from transforming their literate capital into social profit This study contributes in multiple ways to extending both theoretically and empirically existing research on literacy identity and power Critical discourse analysis The analytic technique of critical discourse analysis is brought into the area of family literacy The detailed explanation interpretation and demonstration of critical discourse analysis will be extremely helpful for novices learning to use this technique This is a timely book for there are few ethnographic studies exploring the usefulness and limits of critical discourse analysis Combines critical discourse analysis and ethnography This new synthesis which is thoroughly illustrated offers an explanatory framework for the stronghold of institutional discursive

power Using critical discourse analysis as a methodological tool in order to build critical language awareness in classrooms and schools educators working toward a critical social democracy may be better armed to recognize sources of inequity Researcher reflexivity Unlike most critical discourse analyses throughout the book the researcher and analyst is clearly visible and complicated into the role of power and language This practice allows clearer analysis of the ethical moral and theoretical implications in conducting ethnographic research concerned with issues of power A critical perspective on family literacy Many discussions of family literacy do not acknowledge the raced classed and gendered nature of interacting with texts that constitutes a family s literacy practices This book makes clear how the power relationships that are acquired as children and adults interact with literacy in the many domains of a family s literacy lives A Critical Discourse Analysis of Family Literacy Practices Power In and Out of Print will interest researchers and practitioners in the fields of qualitative methodology discourse analysis critical discourse studies literacy education and adult literacy and is highly relevant as a text for courses in these areas

You know your child is capable of amazing things but you watch them get stuck paralyzed by homework overwhelmed by transitions or frustrated by a world that doesn't understand their magnificent differently wired brain. The Unstuck Brain is the compassionate practical roadmap you've been searching for. Written by Abhijeet Sarkar, CEO/Founder of Synaptic AI Lab, this book bridges a deep understanding of brain science with the real-world actionable strategies you need to transform your home life and become your child's most effective advocate. This isn't just another parenting book; it's a dual toolkit designed for immediate impact.

Part 1: The Toolkit for a More Peaceful Home Finally understand the why behind the struggles. This book demystifies Executive Function, the brain's Air Traffic Controller, and shows you why your child isn't being defiant; they're just overwhelmed. You'll unlock 101 visual strategies, checklists, and games to make abstract concepts like time and planning concrete. Proven techniques to end homework battles, reduce meltdowns, and build your child's emotional regulation. Fun, simple ways to strengthen focus, memory, and flexible thinking, fostering true independence without the constant nagging.

Part 2: The Playbook for School Success Stop feeling intimidated by the school system. Walk into any meeting with confidence and a clear plan. This guide will teach you how to demystify the IEP 504 process and understand your child's legal rights in simple, clear language. Translate what works at home into compelling data the school can't ignore. Master meetings with proven scripts and collaborative negotiation tactics to get the accommodations your child needs to thrive.

The Unstuck Brain rejects the idea of fixing your child and instead shows you how to provide the tools to get them unstuck. It's a guide to turning chaos into calm, confusion into clarity, and conflict into connection.
