

Manual Handling Are you managing the risks?

Overview and Legal Duties

Manual handling covers any kind of physical work.

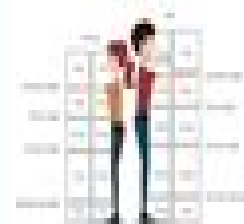

The Regulations require employers to...

- Avoid the need for manual handling
- Assess the risk of injury from repetitive manual handling activities that cannot be avoided
- Reduce the risk of injury from repetitive manual handling activities

Manual Handling risk assessment

- It is recommended a competent person who is familiar with the legal requirements

Guidance weights are available

Assessing and reducing manual handling risks

The risk is determined by handling from the activities that the '5R' process for Assessment is concerned with, such as:

- Reaching (up/down)
- Repetitive frequency of the movement
- Rest (or not)
- The working environment (e.g. does the work environment make the work more difficult?)
