

Example of a job proposal¹

Silvia Martinez

ADVANTAGE TO THE COMPANY:

A company such as M&B, with various sales people in its offices and a growing client portfolio, needs the people with a commercial attitude to be concentrating on their work and maximising their productivity to satisfy the clients' needs.

However, certain administrative tasks may hinder the sales activity and slow up the response given to clients (preparing paperwork, making photocopies, phone calls for updating information, etc.). These tasks are time-consuming and make sales teams less effective.

It is worthwhile considering the possibility of having an administrative assistant in the company to carry out these functions. A full-time assistant could perform all these tasks for all of the sales department employees, making the service given to clients more effective.

SKILLS:

My name is Silvia Martinez and I worked for 3 years in an office as a receptionist and 2 years as an administrative assistant for the Post Office. I have good computer skills and some basic knowledge of English. As a receptionist I have learned how to handle clients and to do jobs such as preparing documents in different formats, making photocopies and handling matters by phone. At the Post Office, my experience helped me to improve the way my colleagues organised their work, to solve problems and consequently to make our work more productive.

I am hard-working and honest and I like to do my job to perfection. I think I might be the ideal person to fulfil the functions of administrative assistant in your company and in this way help to expedite the work of the sales department. If the opportunity permits, I would like to be able to talk to you personally and thus explain a little more about my experience and skills.

Please do not hesitate to get in touch with me to follow up on this proposal by e-mail at silviamartinez@email.es or by telephone on 605336xxx.

Yours faithfully,

Silvia Martinez
