Activity: How the Railroad Changed the West

Write below:

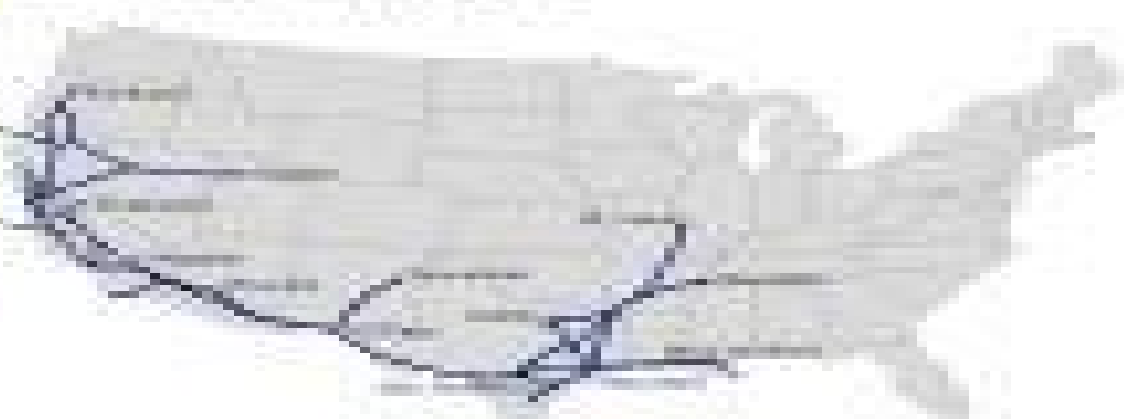

Imagine this: thousands of immigrants and thousands of people were traveling during the 1800s. Although Canada and Europe were rich in people, they had to leave their homes to find better opportunities (jobs) in the United States. They were looking for better opportunities and change. They were looking for better opportunities that they were looking for. They were looking for better opportunities that they were looking for.

Before the great westward migration, there were a small number of people living in the west. But, many were coming to the west by (mostly) traveling by ship. This was the beginning of the great westward migration. From the beginning, the west was a place of opportunity. It was a place where people could find better opportunities. It was a place where people could find better opportunities. It was a place where people could find better opportunities.

During the 1800s, the railroad was the main way of traveling in the United States. It was the main way of traveling in the United States. It was the main way of traveling in the United States. It was the main way of traveling in the United States. It was the main way of traveling in the United States. It was the main way of traveling in the United States.
