Complete Idiot's Guide to Growing Your Business with Google Dave Taylor, 2005-08-02 The search engine for success Using the Internet to increase the visibility of a small business today is no easy task It can take a lot of time energy and money especially if you re not a computer expert Here readers can get a valuable overview of how search engines web sites ad services and web logs can all work together to build a business as well as practical hands on tips tricks and planning tools to help readers create and execute a plan that utilizes the Internet to its fullest Google is widely recognized as the world s

largest search engine an easy to use free service that usually returns relevant results in a fraction of a second Author holds an MBA and has started and run several small businesses in addition to being a well known technology book author Perfect for the entrepreneur and small business market *Vietnam's Socialist Servants* Minh T. N. Nguyen, 2014-08-27 Since Vietnam introduced economic reforms in the mid 1980s domestic service has become an established sector of the labour market and domestic workers have become indispensable to urban life in the rapidly changing country This book analyzes the ways in which the practices and discourses of domestic service serve to forge and contest emerging class identities in post reform Vietnam Drawing on a rich and diverse range of qualitative data including ethnographies interviews and narratives it shows that such practices and discourses are rooted in cultural notions of gender and rural urban difference and enduring socialist structures of feeling which in turn clash with the realities of growing differentiation Domestic workers experiences reveal negotiations with class boundaries actively set by the urban middle class who seek distinction through emerging notions and practices of domesticity These boundaries are nevertheless riddled with gender and class anxiety on the side of the latter partly because of the very struggles and contestations of the domestic workers More broadly Minh T N Nguyen links the often invisible intimate dynamics of class formation in the domestic sphere with wider political economic processes in a post socialist country embarking on marketization while retaining the political control of a party state As a pioneering ethnographic study of domestic service in Vietnam today this book will be of great interest to students and scholars of Southeast Asian culture society social anthropology gender studies human geography and development studies
