Please take the time to read this operating manual before using your video recorder. It contains important information and notes regarding operation. The video recorder should not be turned on immediately after transportation from a cold to a hot area or vice versa, or in conditions of extreme humidity. This video recorder is used for the recording and playback of VHS videocassettes. Cassettes with the VHS-G label (VHS cassettes for camcorders) may only be used with a suitable adapter.

We hope you enjoy your new video recorder.
