

PHILOSOPHY *and the* SOCIAL PROBLEM

***Philosophy and the Social Problem* is Will Durant's 1917 work arguing the importance of philosophical thought within societal functions and government organisations. He refers to Socrates, Plato, Francis Bacon, and Baruch Spinoza's ideas to support his analysis of knowledge organised knowledge. Hoping to both solve the social problem and revitalise philosophy with his text, Durant proposes that philosophy is the only effective solution to the modern world.**

PHILOSOPHY AND THE SOCIAL PROBLEM WILLIAM J. DURANT,2018 **Philosophy and the Social Problem**

William James Durant,1919 Philosophy and the Social Problem;Including a Critical Review Will Durant,2022-09-27 Will Durant s first book analyses the social problem that he identifies as the gap between the rich and poor He proposes that knowledge is the answer to this issue and suggests that philosophy is the key to this knowledge Philosophy and the Social Problem is Will Durant s 1917 work arguing the importance of philosophical thought within societal functions and government organisations He refers to Socrates Plato Francis Bacon and Baruch Spinoza s ideas to support his analysis of knowledge organised knowledge Hoping to both solve the social problem and revitalise philosophy with his text Durant proposes that philosophy is the only effective solution to the modern world This volume features an introductory article on Philosophy and the Social Problem Facts And Values and is not to be missed by those interested in philosophical thoughts and ideas Philosophy and the Social Problem Durant Will,2019-02-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Philosophy and Social Issues Richard A. Wasserstrom,1980 *Philosophy and the Social Problem* Will Durant,2008-02 In Philosophy and the Social Problem Will Durant s first book Durant argues that philosophy has fallen into disrepute because it has stood high and dry upon academic ground has occupied itself generally with the problem of knowledge and has not gone down among the crowd to be of practical service Durant says that philosophy can justify itself only by fruits which are of direct utility to the common man And since the great problem of the modern world is the social problem the problem of waste and want rich and poor luxury and starvation child labor and education crime and so on it follows that philosophy must be brought to take this problem in hand and that it will stand or fall as a factor in civilization according as it is or is not adequate to its solution The new edition of this hard to find treasure is fully annotated with philosophical details historical facts and behind the scenes insights into the man and his ideas
