FSC303H5 - 14JUL23

STUDENT NAME _____ **STUDENT ID #** _____

Students will be provided with a list of photos they must take of a mock crime scene to demonstrate their photography skills. Students will be expected to provide a photo list (of the desired images they want marked), with associated description, and any other pertinent information. Students must apply their knowledge from the previous week on photography theory to complete this assignment. Students will be marked on their ability to produce properly exposed, clear, and in focus images using crime scene and macro appropriate settings.

The images must be taken in either Aperture, or Manual mode. Students are NOT to use P or S mode on the camera.

Students are expected to take an identifier photo, scene establishing photos, overall, midrange and close up photos of an exhibit as well as a macro photograph of a fingerprint impression. Students are expected to use the appropriate camera settings for crime scene photography. Students are required to use their macro lens and appropriate camera settings for impression evidence (macro photo of fingerprint). Students are also required to submit their photo list and their SD cards by the end their lab session.
