Pornographic Art and the Aesthetics of Pornography H. Maes,2013-11-19 What happens when art and pornography meet By providing a plurality of disciplinary approaches and theoretical perspectives this essay collection will give the reader a fuller and deeper understanding of the commonalities and frictions between artistic and pornographic representations

Most Dangerous Branch Robert Martin,2005-03 One of those rare books with the potential to revive a dying society National Post *Handbook of Digital and Multimedia Forensic Evidence* John J. Barbara,2007-12-28 This volume presents an overview of computer forensics perfect for beginners A distinguished group of specialist authors have crafted chapters rich with detail yet accessible for readers who are not experts in the field Tying together topics as diverse as applicable laws on search and seizure investigating cybercrime and preparation for courtroom testimony *Handbook of Digital and Multimedia Evidence* is an ideal overall reference for this multi faceted discipline **Sex Offenders** Fabian M. Saleh,John M.

Bradford,Daniel J. Brodsky,2021-10-08 *Sex Offenders* 2nd Edition offers the most up to date research involving the treatment and management of paraphilic and non paraphilic sex offenders with and without comorbid mental illness or intellectual disability Providing in depth coverage on issues related to identification risk assessment and management treatment and legal solutions this volume seeks to ensure public safety while at the same time maintaining medical integrity and respect for due process The Second Edition newly addresses LGBTQ issues as well as new categories of risk potentially unaddressed by changing sex offender registry laws Bringing together the foremost international and interdisciplinary authors and perspectives on the topics this book is intended for psychiatrists clinical psychologists and researchers who work with sex offenders as well as attorneys members of the judiciary and policymakers **Child Obscenity and Pornography**

Prevention Act of 2002 United States. Congress. House. Committee on the Judiciary,2002 *Sexual Regulation and the Law, A Canadian Perspective* Richard Jochelson,2019-11-01 Does Canada need any more collections about legal regulation of sex and sexuality Volumes exist dealing with sex work and pornographies Certainly volumes abound dealing with emerging sexualities in Canada and new sexual freedoms This book seeks to do more than tell a story of broad generalities about the law It forges the links between the history of law and modern iterations of judgments pertaining to that law Hence the uncomfortable line between Victorian morality often and modern regulation is thematically explored through the book More modern iterations of sexual regulation in Canada are being deployed and in this book the authors explore the interplay between emerging digital technologies and legal regulation Newer laws in Canada have been drafted to recognize that sexual expression can be a means of violence inherently and thus an exploration of modern sexual digital expression and its emerging jurisprudence represent a new frontier in the regulation of sex and sexuality in Canada We explore how legal regulation has responded to these new crimes **Sexing the Look in Popular Visual Culture** Kathy Justice

Gentile,2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has

become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard s theory of seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones s challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men s fashion in late Victorian England and a rape prevention campaign s unintentional reinforcement of persistent heterosexist misconceptions about rape

Child

Pornography Alisdair A. Gillespie, 2012-02 Child Pornography Law and Policy draws on interdisciplinary work in order to critically address the law relating to child pornography Child pornography is recognized as a specific form of child abuse and there are now many national and international efforts to tackle it Yet despite these efforts the volume of child pornography particularly on the internet is increasing The law has reacted to this situation by adapting its definitions increasing sentences and providing new powers to law enforcement It is however unclear how far the law should extend What should the relationship be between criminalization and free speech Is there a link between the use of child pornography and contact offending The issue of child pornography has been the subject of considerable literature in the areas of psychology sociology and psychiatry These studies provide the basis for a greater understanding of the nature of child pornography as well as the profiles and behaviour of those who access or produce such material Child Pornography Law and Policy brings this wider literature to bear on the legal and policy frameworks relating to child pornography questioning both the appropriateness and the effectiveness of the law in this context *The 325: Canada's Criminal Code (w/ Other Acts) - a Case Compilation*, A case compilation of the 325 most cited CC Extradition Act and Charter cases that I compiled to facilitate a one file download Assumes a person doesn t want to take the time to immerse themselves in case stream and nuances of the topic in CANLII org where I obtained the cases and did the digesting of same myself to put it all together for you

Internet Child

Pornography and the Law Yaman Akdeniz, 2016-05-23 This book provides a critical assessment of the problem of internet child pornography and its governance through legal and non legal means including a comparative assessment of laws in

England and Wales the United States of America and Canada in recognition that governments have a compelling interest to protect children from sexual abuse and exploitation The internet raises novel and complex challenges to existing regulatory regimes Efforts towards legal harmonization at the European Union Council of Europe and United Nations level are examined in this context and the utility of additional and alternative methods of regulation explored This book argues that effective implementation enforcement and harmonization of laws could substantially help to reduce the availability and dissemination of child pornography on the internet At the same time panic led policies must be avoided if the wider problems of child sexual abuse and commercial sexual exploitation are to be meaningfully addressed **United States Code** United States,2018

Women in Ugarit and Israel Hennie J. Marsman,2021-10-01 In this volume the presupposition is investigated whether women in a polytheistic society had a better position than women in a monotheistic society To this end the social and religious position of women in Ugarit according to its literary texts is compared to that of women in Israel according to the Hebrew Bible while the wider context of the ancient Near East is also taken into consideration After an overview of feminist biblical exegesis the book discusses the roles of women in the family and in society It also provides an analysis of the roles of women as religious specialists and as worshippers Finally the data on the position of women in the literary texts is compared to that in non literary texts **Persona Non Grata** Tom Flanagan,2015-03-03 Now in paperback a passionate and edgy defense of free speech in Canada and the role the internet plays in the issue from an acclaimed writer and former advisor to Prime Minister Stephen Harper On February 28th 2013 Tom Flanagan well known author University of Calgary professor and former advisor to Prime Minister Stephen Harper made comments about the punishment for viewing child pornography that were tweeted from the event he was speaking at and broadcast worldwide Following the event in the two and a half hours it took to drive from Lethbridge to his home in Calgary Flanagan s career and reputation came under siege Every media outlet made the story front page news most of them deriding Flanagan and casting him as a pariah His university the Prime Minister s Office other influential politicians and much of the media including the CBC made him persona non grata before he even had a chance to explain the comments he made Persona Non Grata is a superb and convincing defense of free speech not just in Canada but everywhere in the age of the Internet a double edged sword when it comes to freedom of expression **Reading Sex in the Eighteenth Century** Karen Harvey,2004 Publisher Description

Child Pornography Ethel Quayle, Max Taylor, 2004-06-02 Child pornography particularly that available via the Internet has become a cause of huge social concern in recent years This book examines the reality behind the often hysterical media coverage of the topic Drawing on extensive new research findings it examines how child pornography is used on the Internet and the social context in which such use occurs and develops a model of offending behaviour to better help understand and deal with the processes of offending Detailed case studies and offenders own accounts are used to illustrate the processes involved in offending and treatment The authors argue that we need to refine our ideas of offending and that while severe deterrents need to be associated with possession of child pornography a better understanding is needed of the links between possession and committing a contact offence Only by improving our understanding of this complex and very controversial topic can we hope to deal effectively with offenders and with their child victims This is a book which will become an essential read for anyone involved with offenders or victims from a psychological judicial or social background
