The text has been re-set in double-column pages with wider margins and more white space, setting off text and illustrations. A preview section at the beginning of each chapter, "What to Look For," and study questions at the end now guide students reading. Vocabulary words appear in boldface in the text and then are listed with definitions at the end of each chapter. The updated text incorporates new material on the Clinton presidency, the Huckabee governorship term limits, the 2000 census, demographic changes, recent scholarship on Arkansas history, updated terminology, and corrections of factual errors.
