**William Eugene Tarrants**

## **Recovering Together Program Curriculum Guide Substance Abuse:**

**Substance Abuse Education in Nursing**, 1992      **Resources in Education**, 2001-10      **Substance Abuse Education in Nursing** Madeline A. Naegle, 1993 Substance abuse is a crisis of international concern Substance Abuse Education in Nursing Volume III expands upon the content in Volume II and is particularly suited to the advanced baccalaureate level of education Volume III offers nurse educators as well as educators preparing physicians social workers teachers and counselors the most current information on the recognition and treatment of this tragic disease As a comprehensive resource educators will find this book indispensable when updating existing curricula developing learner objectives and assessing educational outcomes Substance Abuse Education in Nursing is reader friendly with easily removable pages for convenient reorganization      **Mindfulness-Based Substance Abuse Treatment for Adolescents** Sam Himelstein, Stephen Saul, 2015-06-12 Mindfulness Based Substance Abuse Treatment for Adolescents is a group based curriculum incorporating mindfulness self awareness and substance abuse treatment strategies for use with adolescents dealing with substance use The evidence based how to format provides a curriculum for professionals to implement either partially by picking and choosing sections that seem relevant or in full over a number of weeks Each session comes equipped with clear session agendas example scripts and talking points what if scenarios that address common forms of resistance and optional handouts for each session Sections cover the major principles of working with adolescents relationship building working with resistance and more along with a full curriculum The book is a natural fit for psychotherapists but addiction counselors school counselors researchers mentors and even teachers will find that Mindfulness Based Substance Abuse Treatment for Adolescents changes the way they work with young people      **Female Offenders** Ruth T. Zaplin, 2008 The number of female offenders in the United States is skyrocketing Our tough on crime approach puts a female offender behind bars but doesn't consider the factors leading to her incarceration Female Offenders Critical Perspectives and Effective Interventions Second Edition proposes an alternative one that truly addresses the needs of female offenders and the root issues connected to their maladaptive behaviors trauma histories and mental health problems By focusing on these root issues this text prepares future correctional managers and supervisors to rehabilitate and empower female offenders to reenter society in a meaningful and productive way The Second Edition includes chapters written by experts in the field that discuss the diversity of issues facing female offenders in our culture from a variety of perspectives Grounded in the relevant research and literature this book blends theory with practice by presenting theories on the rehabilitation of female offenders alongside program models and effective strategies for reentry into society      **Approaches to Substance Abuse and Addiction in Education Communities** Jeffrey Roth, Andrew J. Finch, 2013-10-18 This book is designed to increase the awareness among mental health professionals and educators about the potential sources of support for students struggling with substance abuse addiction and compulsive behaviors The book includes a description of the scope of the problem of substance abuse in

high schools and colleges followed by sections describing recovery high schools and collegiate recovery communities A further unique component of this book is the inclusion of material from the adolescents and young adults whose lives have been changed by these programs This book was published as a special issue in the Journal of Groups in Addiction and Recovery **Monthly Catalogue, United States Public Documents**, 1983 *Monthly Catalog of United States Government Publications*, *The Equal Curriculum* James R. Lehman, Kristine Diaz, Henry Ng, Elizabeth M. Petty, Meena Thatikunta, Kristen Eckstrand, 2019-11-01 This first of its kind textbook marks a revolutionary effort to reform medical education nationally by providing a comprehensive high quality resource to serve as a foundation for lesbian gay bisexual transgender and queer LGBTQ health education across multiple disciplines Addressing the decades long unequal weight of medical education generally offered about the care of LGBTQ people The Equal Curriculum was created to advance clinicians competencies in optimizing the health of LGBTQ people This textbook is designed to be integrated into health sciences curricula and offers pointed strategies to evaluate the integration of LGBTQ health topics Starting with a brief overview chapters 1 through 4 cover general content that is highly relevant to all health professionals working with LGBTQ people Chapters 5 through 12 focus on specific patient populations and clinical specialties and chapters 13 and 14 cover special topics Key points in each chapter are highlighted to aid in the comprehension and case vignettes are provided throughout the textbook allowing learners to apply the content to clinical scenarios in order to evaluate how the application of relevant knowledge may impact health outcomes Questions similar to National Board of Medical Examiners NBME style are provided in most chapters to assist in the application of content As major addition to the clinical literature The Equal Curriculum Student and Educator Guide to LGBTQ Health should be of great interest to health sciences instructors medical students in their preclinical and clinical phases and trainees from other disciplines such as physician assistants nurses social workers and public health professionals *Helping Men Recover* Stephanie S. Covington, Dan Griffin, Rick Dauer, 2022-07-22 AN INSIGHTFUL EFFECTIVE AND PARTICIPANT FRIENDLY APPROACH TO ADDICTION RECOVERY Now in its second edition Helping Men Recover A Program for Treating Addiction is a comprehensive resource for drug and alcohol counselors program administrators and mental health professionals working in outpatient residential and community based treatment centers Presented in a twenty one session format the facilitator's guide provides a step by step manual containing the theory structure and content required to run effective and therapeutic groups Helping Men Recover Second Edition offers New research language and content that addresses the opioid addiction crisis LGBTQ inclusivity male body image and other issues Four modules that address the self relationships sexuality and spirituality all of which are areas that recovering men have identified as triggers for relapse and as necessary for growth and healing User friendly and self instructive materials designed to put participant and facilitator focus on the therapeutic process Three additional sessions with new exercises An essential update to a best selling work in the field of addiction treatment Helping Men Recover cements this text's position as

the go to manual for men s addiction and delivers a gender responsive and trauma informed treatment program ideal for practitioners everywhere      **Study Guide** Diana Kendall,2006-08-21      Prevention Plus II Sharon K. Amatetti,1989

**Prevention Plus II** ,1994 Designed to help program planners communities and others to develop an effective and comprehensive systems approach to fighting the war against alcohol and other drug use among youth in their communities Explains how individual interpersonal and environmental situations and conditions contribute to alcohol and other drug use Provides strategies for combating each of these forces Case studies of model communities around the country are described Includes worksheets planning charts and other aids      **Prevention Plus** ,1989      **Adolescent Substance Abuse** Carl G.
