"The" English Catalogue of Books, 1897 **Caring for God's People** Philip Culbertson, 2000-01-01 Culbertson has built his text around the ideal of Christian wholeness and maturity a healthy interconnectedness of self within community Culbertson presents three schools of counseling theory family systems theory narrative counseling theory and object relations theory Each of these is explained and then applied to various counseling situations pre marital counseling marriage counseling divorce counseling counseling gay men and women and grief counseling Culbertson addresses issues of gender families sexual orientation the relationship of emotions to spirituality and the relevance of the counselor's own self understanding From publisher's description In the Long Run We Are All Dead Geoff Mann, 2017-01-24 A groundbreaking debunking of moderate attempts to resolve financial crises In the ruins of the 2007 2008 financial crisis self proclaimed progressives the world over clamored to resurrect the economic theory of John Maynard Keynes The crisis seemed to expose the disaster of small state free market liberalization and deregulation Keynesian political economy in contrast could put the state back at the heart of the economy and arm it with the knowledge needed to rescue us But what it was supposed to rescue us from was not so clear Was it the end of capitalism or the end of the world For Keynesianism the answer is both Keynesians are not and never have been out to save capitalism but rather to save civilization from itself It is political economy they promise for the world in which we actually live a world in which prices are sticky information is asymmetrical and uncertainty inescapable In this world things will definitely not take care of themselves in the long run Poverty is ineradicable markets fail and revolutions lead to tyranny Keynesianism is thus modern liberalism's most persuasive internal critique meeting two centuries of crisis with a proposal for capital without capitalism and revolution without revolutionaries If our current crises have renewed Keynesianism for so many it is less because the present is worth saving than because the future seems out of control In that situation Keynesianism is a perfect fit a faith for the faithless
