## About the Samsung SolarCell Remote (Samsung Smart Remote)

The Accessibility/SmartHub function on your remote provides easy access to the accessibility functions on your TV. For more information, refer to the next page.

Press and hold the Home button to display the Accessibility/SmartHub menu.

For battery recycling information, visit [www.samsung.com](http://www.samsung.com) or call 1-800-45-6557.

**LED Light**  
Emits a light when the remote is not in use. This will extend the remote's operating time.

**USB port (Type-C)**  
Use for quick charging. The LED on the front will light when charging. When the battery is fully charged, the LED will turn off.  
• The USB Cable is not provided.

Be aware of the following precautions to prevent damage to the remote or personal injury.

- Do not apply shock to the remote control.
- Be careful not to let foreign substances such as water, metal, liquid, or dust come in contact with the charging terminal of the remote control.
- When the remote control is damaged or a small piece or burning fumes, immediately stop operation and then report it to the Samsung service center.
- Do not arbitrarily disassemble the remote control.
- Be careful not to let children play with the remote control. Fire or explosion may occur, resulting in damage to the remote control or personal injury.

| Button                                                                  | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|-------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>1 (Power)</b>                                                        | Press to turn the TV on or off.<br>For the Frame mode, when watching TV, press to switch to Art mode. In Art mode, press to switch to the Media Home. Press and hold the button of the TV completely.                                                                                                                                                                                                                                                                     |
| <b>2 (MC / LED)</b>                                                     | Used as MC when using the remote control to control the media content.<br>When charging the remote control by the USB port, the LED is lit if charging is in progress. When charging is complete, the LED is turned off.<br>• Do not insert the MC hole into a sharp object to press into the hole.                                                                                                                                                                       |
| <b>3 (Voice Assistant)</b>                                              | Turn voice Assistant. Press and hold the button, say a command, and then release the button to run voice Assistant.<br>• The supported voice Assistant's language and feature may differ by geographical region.<br>• Keep the remote more than 2 inches (5.1 cm) from your face when using paid speaking/voice Assistant through the MC in the remote.                                                                                                                   |
| <b>4 (Settings - Number - Color button)</b>                             | For home screen, the button, settings menu, virtual number pad, Open/SmartHub/Color buttons are displayed alternately.<br>• Use this button to access additional options that are specific to the feature mode.<br>• Press to bring up the virtual number pad on the screen. Use the numeric keypad to enter numbers, dates, search numbers, and then select Date or Date/Number to enter a current value. Use to change the channel, enter a PIN, enter a ZIP code, etc. |
| <b>5 (Directional button: Up, down, left, right)</b>                    | Use to navigate the menu, move the focus, to highlight items on the Home screen.                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>6 (Select)</b>                                                       | Select the items to be used item. When pressed while you are watching a broadcast program, detailed program information appears.                                                                                                                                                                                                                                                                                                                                          |
| <b>7 (Return)</b>                                                       | Press to return to the previous menu. When pressed for 3 seconds onscreen, the running function is terminated. When pressed while you are watching a program, the previous channel appears.                                                                                                                                                                                                                                                                               |
| <b>8 (Smart Hub)</b>                                                    | Press to switch to the Media Home. From the Smart Hub screen, press to switch to the Android Mode Home.                                                                                                                                                                                                                                                                                                                                                                   |
| <b>9 (For Frame Mode, in Art mode, press to switch to the Art Mode)</b> | For the Frame Mode, in Art mode, press to switch to the Art Mode.                                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>10 (Play/Pause)</b>                                                  | When pressed, the playback controls appear using their controls, you can control the media content that is playing.<br>Smart Game Hub, press and hold the button in Game Mode.<br>• Game Remote not be supported depending on the model or geographical area.                                                                                                                                                                                                             |
| <b>+ / - (Volume)</b>                                                   | Move the buttons up or down to adjust the volume. To mute the sound, press the button.                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>▲ / ▼ (TV Channel)</b>                                               | Move the buttons up or down to change the channel. To see the Guide screen, press the button. When pressed for 3 seconds onscreen, the Channel List screen appears. Press and hold the button up or down to quickly change the channel.                                                                                                                                                                                                                                   |
| <b>11 (Launch app button)</b>                                           | Launch the app immediately the button.<br>• Available apps may differ depending on the geographical area or content provider.                                                                                                                                                                                                                                                                                                                                             |
| <b>12 (Smart Hub/Power)</b>                                             | If the Samsung Smart Remote does not pair to the TV, additionally, point it at the front of the TV and then press and hold the <b>12</b> and <b>13</b> buttons simultaneously for 5 seconds or more.                                                                                                                                                                                                                                                                      |

Use the Samsung Smart Remote less than 20 feet (6 m) from the TV. The remote delays its response with the wireless environmental conditions.

- The images, buttons, and functions of the Samsung Smart Remote may differ with the model or geographical area.
- The Samsung Remote function operates normally only when you use the Samsung Smart Remote that connects to the TV.
- It is recommended to use an original Samsung charger. Otherwise, it may cause performance degradation or failure of the product. Some use, the warranty period is not applicable.
- When the remote control does not work due to low battery, charge it by using the USB-C type port.

### **Samsung C353manual Guide Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Samsung C353manual Guide PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Samsung C353manual Guide PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Samsung C353manual Guide free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Samsung C353manual Guide Books**

1. Where can I buy Samsung C353manual Guide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Samsung C353manual Guide book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Samsung C353manual Guide books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Samsung C353manual Guide audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Samsung C353manual Guide books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
