Nokia 9500 Manual:

Nokia Smartphone Hacks Michael Juntao Yuan, 2005 Nokia's smartphones pack a powerful computer into a very small space. Unlike your desktop or laptop, your smallest computer can be connected to the Internet all the time and can interact with the world around it through its camera, voice recognition, and its traditional phone keypad. Nokia smartphones combine these features with impressive storage options and a host of networking protocols that make this smallest computer the only thing a road warrior truly needs. If you're still cracking open your laptop or pining for your desktop while you're on the road, you haven't begun to unlock your Nokia's full potential. Nokia Smartphone Hacks is dedicated to tricking out your smartphone and finding all the capabilities lurking under the surface. Learn how to Unlock your phone so that you can use it with any carrier. Avoid and recover from malicious mobile software. Watch DVD movies on the phone. Use the phone as a remote control. Use the phone as a data modem for your notebook. Check your email and browse the web. Post to your weblog from your phone. Record phone conversations. Choose mobile service plans. Transfer files between the phone and your computer. Whether you want to use your smartphone as your lifeline while you're on the road or you're just looking for a way to make the most of the time you spend waiting in lines, you'll find all the user-friendly tips, tools, and tricks you need to become massively productive with your Nokia smartphone. With Nokia Smartphone Hacks, you'll unleash the full power of that computer that's sitting in your pocket, purse, or backpack.

SCP Series Two Field Manual SCP Foundation, Various Authors, SCP Foundation anomalies SCP 1000 through to SCP 1999 including containment procedures, experiment logs, and interview transcripts. An encyclopedia of the unnatural. The Foundation, operating clandestinely and worldwide, is entrusted by every major national government with the task of containing anomalous objects, entities, and phenomena. These anomalies pose a significant threat to global security by threatening either physical or psychological harm. The Foundation operates to maintain normalcy so that the worldwide civilian population can live and go on with their daily lives without fear, mistrust, or doubt in their personal beliefs and to maintain human independence from extraterrestrial, extradimensional, and other extranormal influence. Our mission is threefold: Secure. The Foundation secures anomalies with the goal of preventing them from falling into the hands of civilian or rival agencies through extensive observation and surveillance and by acting to intercept such anomalies at the earliest opportunity. Contain. The Foundation contains anomalies with the goal of preventing their influence or effects from spreading by either relocating, concealing, or dismantling such anomalies or by suppressing or preventing public dissemination of knowledge thereof. Protect. The Foundation protects humanity from the effects of such anomalies as well as the anomalies themselves until such time that they are either fully understood or new theories of science can be devised based on their properties and behavior. About the ebook: This ebook is an offline edition of the second series of fictional documentation from the SCP Foundation Wiki. All illustrations, subsections, and supporting documentation pages are included. All content is indexed and cross-referenced.

Essentially this is what a SCP Foundation researcher would carry day to day in their Foundation issued ebook reader The text has been optimised for offline reading on phones and ebook readers and for listening to via Google Play Book s Read Aloud feature Tables have been edited into a format that is intelligible when read aloud the narration will announce visual features like redactions and overstrikes and there are numerous other small optimisations for listeners The SCP text are a living work and the SCP documentation is a gateway into the SCP fictional universe so links to authors stories and media are preserved and will open your reader s web browser This work is licensed under a Creative Commons Attribution ShareAlike 3 0 Unported License and is being distributed without copy protection Its content is the property of the attributed authors
