Digital transformation describes the changes associated with the application of digital technology in all aspects of human society. Digital transformation may be thought of as the third stage of embracing digital technologies from digital competence to digital usage to digital transformation with usage and transformative ability informing digital literacy. The transformation stage means that digital usages inherently enable new types of innovation and creativity in a particular domain rather than simply enhance and support the traditional methods. These industry thought leaders together with the leading edge case studies will help you understand the meaning and impact of Digital Transformation and how you can leverage that transformation likely using BPM you already have. Learn how to extend that into core processes that run the business and thus engage more meaningfully with your customers. The authors discuss the impact of emerging technologies, the mandate for greater transparency and how the ongoing aftershocks of globalization have collectively impacted predictability within the business enterprise.

Passports to Success in BPM: Real World Theory and Applications Is your BPM project set up for success or failure? Knowing what your BPM success will look like before you even begin your journey will help you achieve it. So will knowing what are the most common causes of failure. We learn more from failure than success but it's easier, cheaper and quicker to learn from others' mistakes rather than go through the pain personally. BPM projects fail more often as a result of missed expectations than inadequate technology. In this book you will learn how to create and present a credible business case and plan for success. See particularly the chapter BPM Success Manifesto. The value of BPM is realized through planning and measurement and the business case needs to be developed with transparent success criteria and real world metrics. Contents and Chapter Abstracts. Foreword by Keith Swenson. The Top 5 Reasons Why a BPM Project Fails by Peter Schooff. The BPM Success Manifesto by Nathaniel Palmer. How Strategic are Your BPM Initiatives?
